ARTICLE XX

TRANSITION

20.1 In the event of the termination or expiration hereof, MCSO and CITY shall cooperate in good faith in order to effectuate a smooth and harmonious transition from MCSO to a CITY police department and to maintain during such period of transition the same high quality of police protection otherwise afforded to the residents of the CITY pursuant to the terms hereof. In the event of such termination or expiration and in the further event that the CITY is unable to provide the same level of police protection through its own police force at the time of such termination or expiration, the then pending term of this Agreement shall be deemed automatically extended for a period of ninety (90) days or until CITY is capable of rendering such police service, whichever occurs sooner.

20.2 The remuneration's to be paid to MCSO during the transition period shall be based upon the actual cost of providing such services during the transition period, but shall not exceed the pro rata monthly cost of the most recent Agreement, provided service levels remain the same.

ARTICLE XXI EQUIPMENT APPRAISAL AND TRANSFER PROVISION

21.1 In the event of termination or upon the expiration of this Agreement, CITY shall have the option to purchase from MCSO any piece of equipment, including police vehicles, directly attributable to or in use by the Marathon District at the time of such termination in connection with the services contemplated herein.

21.2 The purchase price for such equipment shall be determined by mutual agreement of the parties as to their fair market value of such equipment.

21.3 MCSO will provide Marathon, annually upon request of the City Manager, with a list of all equipment, including patrol cars, assigned to the Marathon District, and provide updated lists on quarterly basis. The list will contain a fair market value for each item. Marathon will have the option to purchase any or all items on the list upon the termination or expiration of this Contract. Marathon must exercise this option by delivery of written notice to MCSO no later than ninety (90) calendar days before the expiration of any term of this Contract. The purchase price will be the then current depreciated value of the item. Depreciation will be based on a five-year, straight-line schedule.

21.4 If Marathon does not agree that the depreciated value of any item is reasonable, it shall so inform MCSO in writing and provide a written signed appraisal prepared by a competent appraiser. This notice must be delivered contemporaneously with Marathon's notice of exercise of its purchase option. If MCSO does not agree with the appraised figure, it shall so inform Marathon in writing and provide a written signed appraisal prepared by a competent appraiser. This notice must be provided no later than thirty (30) days after receipt of Marathon's notice of objection to the depreciated price. If Marathon does not agree with MCSO's appraisal, and the parties cannot agree upon a purchase price, Marathon must give MCSO written notice of this fact no later than ten (10) days after receipt of MCSO's appraisal. The parties shall then select a third appraiser, whose opinion shall be final. The parties will pay an equal share of the fees of the third appraiser.

21.5 Upon the exercise by the CITY of its option to possess the subject equipment, MCSO shall convey all of its rights, title and interest, thereto, including police vehicles, to the CITY by Bill of Sale Absolute or Certificate of Title, as applicable.
