**CITY OF MARATHON, FLORIDA  
RESOLUTION 2003-151**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
MARATHON, FLORIDA, AUTHORIZING THE PURCHASE OF A NEW  
ROUTER/SWITCH FOR THE CITY'S TELEPHONE SYSTEM IN AN  
AMOUNT NOT TO EXCEED \$12,000**

**WHEREAS**, the telephone system used by the City has recently experienced a major malfunction and is in need of major repairs to function properly and consistently; and

**WHEREAS**, the City's purchasing policies and procedures require that all purchases of goods or services in excess of \$10,000.00 be competitively bid unless the City Council, by majority vote, determines it is impractical to use the City's procurement procedures and waives same upon the recommendation of the City Manager; and

**WHEREAS**, the City Manager recommends the City Council waive the City's purchasing policies and procedures due to the urgent need of the repairs and the impracticality of obtaining bids for the necessary equipment.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE  
CITY OF MARATHON, FLORIDA, THAT:**

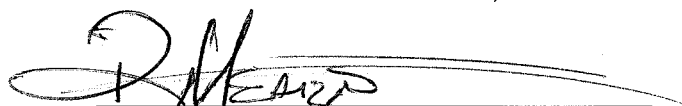

**Section 1.** Based upon the recommendation of the City Manager, the City Council finds that an emergency exists with respect to the need to make major repairs to the City's phone system so that it functions properly and consistently; and that requiring City staff to competitively bid this purchase is impractical.

**Section 2.** The City's purchasing policies and procedures are hereby waived and the City Manager is authorized to expend an amount not to exceed \$12,000.00, to acquire a phone router from CC Technologies as set forth in the price quotation attached as Exhibit "A;" together with such non-substantial changes as may be acceptable to the City Manager and approved as to form and legality by the City Attorney.

**Section 3.** This resolution shall take effect immediately upon its adoption.

**PASSED AND APPROVED** by the City Council of the city of Marathon, Florida, this 25<sup>th</sup> day of November, 2003.
