RE: FRDAP GRANT
SERVICES AGREEMENT

\$200,000
GRANT FOR
MARATHON COMMUNITY PARK IMPROVEMENTS

Attached are three (3) originals of the Professional Services Agreement for this new \$200,000 Florida Recreation Development Assistance Program project for your City. We anticipate that the deadline for the grant application will be the end of August or the first week in September.

Last week we attended a workshop regarding some changes that are being made in the Program's administrative rule. In the future, applications will only be evaluated based on the information submitted by the application deadline. There will be no opportunity to submit supplemental information. As long as we submit a fully complete application for your City we will continue to score very well through the project ranking process.

Please have this Agreement approved by your Commission and executed by your City Manager. Please mail one executed original of the Agreement to us for our files. Receipt of this document will allow us to begin working with you at the earliest possible date to document the need for this \$200,000 grant for your City.

Please note that we do not desire to be compensated for our grant planning and generation services until beginning in calendar year 2005. Please call us if you have any questions about the Agreement.
