WHEREAS, the Department receives funds for the purpose of passing through the agency as grants to other entities in accordance with Section 375.021(4), Florida Statutes; and,

WHEREAS, Chapter 375, Florida Statutes, further authorizes the Department to receive grants for outdoor recreation and conservation; and,

WHEREAS, the Grantee has submitted Project Application number 2, which has been approved by the Department.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Department and Grantee do hereby agree as follows:

1. This Project Agreement shall be effective upon execution of this Project Agreement and end no later than three (3) years from the date of Agreement execution, inclusive. The Project Agreement shall be performed in accordance with Chapter 62D-5, Part VII, Florida Administrative Code, effective July 15, 2001 (hereinafter called the Rule); the Land and Water Conservation Fund (LWCF) Act of 1965, Public Law 88-578, 78 Stat 897, as amended, (hereinafter called the Program); and with general provisions for such agreements prescribed by the United States Department of the Interior (hereinafter called the USDOI) in the LWCF Grants-in-Aid Manual, (hereinafter called the Manual) including the CFRs referenced below. The Manual refers to the code of federal regulations (CFRs) applicable to this Agreement. The following table identifies several of the key CFRs addressed in the Manual, but does not limit the Grantee to compliance with only the CFRs identified in the table.

CFR Cite	Title
36 CFR 59	Land and Water Conservation Fund Program Assistance to States; Post-Completion Compliance Responsibilities
36 CFR 800.8	Coordination With the National Environmental Policy Act
43 CFR 12	Administrative and Audit Requirements and Cost Principles for Assistance Programs
43 CFR 17	Nondiscrimination in Federally Assisted Programs of the Department of Interior

The Grantee agrees to become familiar with all provisions and comply with the Rule and Manual, including the above-stated provisions of the CFR, which are incorporated into this Project Agreement by reference, as if fully set forth herein. In the event a dispute should arise between the parties concerning the intent of any language herein contained, the same shall be resolved by the adoption of that meaning which furthers the intent and purpose of the LWCF Act of 1965 and the general provisions governing this Project Agreement as set forth in the Manual. No construction shall be contrary to the requirements of any Act of Congress or of the regulations of the Secretary of the Interior.

2. The Department has found that public outdoor recreation is the primary purpose of the project known as Marathon Community Park Amenities (Land and Water Conservation Fund, LWCF Project Number 12-00537), hereinafter called the Project, and enters into this Project Agreement with the Grantee for the development of that real property, the legal description of which shall be submitted to the Department as described in the Land and Water Conservation Fund Program Approved Project Documentation Form, DEP Form FPS-A048. The approved Project Application, which includes the Project Elements (description of project, detailed budget, and anticipated deliverables), is incorporated into this Project Agreement by reference as if fully set forth herein. The "approved Project Application" includes only those Project Elements approved by the Department and does not include proposed elements not approved by the Department. Any revisions to the Project Elements as set forth in the approved Project Application must be formally requested by the Grantee and, if agreed upon by the Department, the modifications will be reduced to writing in an amendment to this Agreement.
3. The Grantee shall construct, or cause to be constructed, specified public outdoor recreation facilities and improvements consisting of the following Project Elements: **boat dock, fishing pier, boardwalk, swimming pool lighting, landscaping, rest rooms and renovation of baseball field, boat moorings, tennis courts, parking facilities and other related support facilities.**
4. The Project Elements identified in Paragraph 3 herein shall be designed and constructed substantially in accordance with the conceptual site development plan contained in the Project Application. Project Site facilities shall be attractive for public use, and generally consistent and compatible with the environment. Plans and specifications for Project Site improvements and facilities shall be in accord with current and established engineering and architectural standards and

practices. Emphasis should be given to the health and safety of users, accessibility to the general public, and the protection of the recreational and natural values of the area. This site development plan may be altered by the Grantee, only after written approval by the Department. Any and all utility lines installed within the park shall be placed underground. The Grantee shall have the final site development plan (site engineering and architectural) prepared by a registered architect or engineer licensed in accordance with the laws of the State of Florida.

5. A. The Department shall pay the Grantee on a reimbursement basis the eligible Grant amount not to exceed \$200,000.00, which will pay said federal Program's share of the cost of the Project. Program funding limits are based upon the following:

Total Department (federal) Program Amount	\$200,000.00
Grantee Match Amount	\$200,000.00
Total Project Cost	<u>\$400,000.00</u>

Type of Match (Cash and/or In-kind Services)

- B. Within sixty (60) days after receipt of the request, the Department's Grant Manager shall review the completion documentation and payment request from the Grantee for the Project. If the documentation is sufficient and meets the requirements of the Land and Water Conservation Fund Program Required Project Completion Documentation Form, DEP Form FPS-A051, referenced in s. 62D-5.073(7)(e)2, F.A.C., the Department will approve the request for payment.
6. In addition to the invoicing requirements contained in paragraph 5 above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information when requested must be provided within 30 calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. State guidelines for allowable costs can be found in the Florida Department of Financial Service's Reference Guide for State Expenditures at www.dbf.state.fl.us/aadir/reference_guide and allowable costs for federal programs can be found under 48 CFR Part 31 at <http://www.access.gpo.gov/nara/cfr/cfr-table-search.html> and OMB Circulars A-87, A-122, A-21, at <http://www.whitehouse.gov/omb/circulars/index.html#numerical>.
7. Reimbursement for travel expenses is not authorized under this Project Agreement.

8. The Grantee agrees to comply with the Division of Recreation and Parks' Grant and Contract Accountability Procedure, hereinafter called the Procedure and incorporated into this Project Agreement by reference as if fully set forth herein. All purchases of goods and services for accomplishment of the Project shall be secured in accordance with the procurement requirements specified in 43 CFR 12.76. Expenses representing the Project costs, including the required matching contribution, shall be reported to the Department and summarized on certification forms provided in the Procedure. The Department and Grantee agree to use the Procedure guidelines in accounting for LWCF funds disbursed under the Project. The parties further agree that the principles for determining the eligible costs, supporting documentation and minimum reporting requirements of the Procedure shall be used.

9. Allowable indirect costs as defined in the Procedure shall not exceed 15% of the Grantee's eligible salaries/wages. Indirect costs that exceed 15% must be approved in advance in writing by the Department to be considered eligible Project expenses.

10. Project funds may be reimbursed for eligible Preagreement Expenses (as defined in s. 62D-5.069(31) of the Rule) incurred by Grantee prior to execution of this Project Agreement as set forth in s.62D-5.073(2) of the Rule. The Department and the Grantee fully understand and agree that there shall be no reimbursement of Project funds by the Department for any expenditure made prior to the execution of this Project Agreement with the exception of the following expenditures which meet the requirements of the foregoing sections of the Rule.

In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.

16. In addition to the provisions contained in Paragraph 15 above, the Grantee shall comply with the applicable provisions contained in **Attachment A**, Special Audit Requirements, attached hereto and made a part hereof. If the Grantee fails to receive a revised copy of **Attachment A**, Exhibit-1, the Grantee shall notify the Department's Grant Manager at 850/245-2501 to request a copy of the updated information.
17. Following receipt of an audit report identifying any reimbursement due the Department for the Grantee's noncompliance with this Project Agreement, the Grantee will be allowed a maximum of thirty (30) days to submit additional pertinent documentation to offset the amount identified as being due to the Department. The Department, following a review of the documentation submitted by the Grantee, will inform the Grantee of any reimbursement due the Department.

18. The Grantee, as an independent contractor and not an agent, representative, or employee of the Department, agrees to carry adequate liability and other appropriate forms of insurance. The Department shall have no liability except as specifically provided in this Project Agreement.
19. To the extent required by law, the Grantee will be self-insured against, or will secure and maintain during the life of this Agreement, Workers' Compensation Insurance for all of its employees connected with the work of this Project and, in case any work is subcontracted, the Grantee shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Grantee. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law. In case any class of employees engaged in hazardous work under this Agreement is not protected under Florida Workers' Compensation law, the Grantee shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of those employees not otherwise protected.

23. The Department and USDOJ have the right to inspect the Project and any and all records related thereto at any reasonable time.
24. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1), Florida Statutes.
25. Prior to the closing of the Project the Department shall have the right to demand a refund, either in whole or in part, of the LWCF funds provided to the Grantee for non-compliance with the material terms of this Project Agreement. The Grantee, upon such written notification from the Department, shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated and determined pursuant to Section 55.03(1) of the Florida Statutes. Interest shall be calculated from the date(s) of payment(s) to the Grantee by the Department to the date repayment is made by Grantee. After closing of the Project, the Grantee may not repay the funds but shall go through the conversion process described by the Manual and the Rule.
26. If the United States, acting through the USDOJ, the Secretary of the Interior, or any other branch of the government of the United States, acting within the scope of its lawful authority, should for any reason demand a refund from the Department, in whole or in part, of the funds provided to the Grantee under the terms of this Project Agreement, the Grantee, upon notification from the Department, agrees to pay the refund and will forthwith repay directly to the Department the amount of money demanded.
27. The Grantee shall comply with all federal, state and local laws, rules, regulations

and ordinances in developing this Project. The Grantee acknowledges that this requirement includes compliance with all federal, state and local health and safety rules and regulations including all applicable building codes. The Grantee further agrees to ensure that the Grantee's contract will include the requirements of this paragraph in all subcontracts made to perform this Project Agreement.

28. Competitive open bidding and purchasing for construction of said Project facilities or improvements shall comply with all applicable laws and the Manual. Following completion of Project construction, the Grantee's Liaison Agent shall provide the Department with a statement certifying that all purchases or contracts for construction were competitively bid pursuant to applicable law and the Manual.
29. If asphalt paving is required for the Project it shall conform to the Florida Department of Transportation's specifications for road and bridge construction. Bid specifications, contracts and/or purchase orders of the Grantee must specify thickness of asphalt and square yards to be paved.
30. By acceptance of the provisions of this Project Agreement, the Grantee does hereby agree to dedicate the Project Site and all land within the Project boundaries, identified in Paragraph 2 herein, in perpetuity as an outdoor recreation site for the use and benefit of the public, as stated in s. 62D-5.074(1) of the Rule. Execution of this Project Agreement by the Department shall constitute an acceptance of said dedication on behalf of the general public of the State of Florida. The Grantee represents that it has sufficient site control to enable this dedication. The dedication must be promptly recorded in the county's official public records by the Grantee and Grantee shall provide a certified copy to the Department.
31. The Grantee agrees to operate and maintain the Project site as stated in s. 62D-5.074(2) of the Rule. The Project site, Project-related facilities, and any future outdoor recreation facilities developed on the Project site shall be open to the general public for outdoor recreation use, maintained in accordance with applicable health and safety standards, and kept in good repair to prevent undue deterioration and provide for safe public use. The Grantee covenants that it has full legal authority and financial ability to develop, operate and maintain said Project-related facilities and improvements as specified within the terms of this Project Agreement. The Grantee shall obtain Department approval prior to any and all current or future development of facilities on the Project site, if said development is not described in Paragraph 3 herein.
32. **The Grantee shall not, for any reason, convert all or any portion of the park for any purpose other than public outdoor recreation without prior approval of the USDOJ and the Department pursuant to Section 6(f)(3) of the LWCF Act, the Manual, and s. 62D-5.074(3) of the Rule.**
33. Failure to comply with the provisions of the Rule or the terms and conditions of this Agreement will result in cancellation of the Project Agreement by the Department. The Department shall give the Grantee in violation of the Rule or

this Project Agreement a notice in writing of the particular violations stating a reasonable time to comply. If the Grantee does not comply or obtain an extension of time within the time period stated in the notice, this Project Agreement shall be automatically terminated.

34. In the event of conflict in the provisions of the Rule, the Project Agreement and the Project Application, the provisions of the Rule shall control over this Project Agreement and this Project Agreement shall control over the Project Application documents.
35. If the Department determines that site control is not sufficient under the Rule or has been compromised, the Department shall give the applicant a notice in writing and a reasonable time to comply. If the deficiency cannot be reasonably corrected within the time specified in the notice, the Department shall cancel this Project Agreement.
36. In accordance with the LWCF Act, Program funds will be made available contingent upon an annual appropriation to each State by Congress. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation of spending authority by the Florida Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations.
37.
 - A. The Grantee certifies that no Federal appropriated funds have been paid or will be paid by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding, renewal, amending or modifying of any Federal contract, grant, or cooperative agreement. If any non-Federal funds are used for lobbying activities as described above, the Grantee shall submit **Attachment B**, Form DEP 55-221, effective January 2001, "Disclosure of Lobbying Activities" (attached hereto and made a part hereof), and shall file quarterly updates of any material changes. The Grantee shall require the language of this certification to be included in all subcontracts, and all subcontractors shall certify and disclose accordingly. (43 CFR Part 18)
 - B. In accordance with Section 216.347, Florida Statutes, the Grantee is hereby prohibited from using funds provided by this Agreement for the purpose of lobbying the Legislature, the judicial branch or a state agency.
38.
 - A. No person on the grounds of race, religion, creed, color, national origin, age, sex, marital status or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Project Agreement.
 - B. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public

entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and intends to post the list on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity at (850) 487-0915.

39. Each party hereto agrees that it shall be solely responsible for the wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of s. 768.28, Florida Statutes, and other statutes that provide immunity to the Department or the State.
40. A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not perform work as a grantee, contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017, Florida Statutes, or Category Two, for a period of 36 months from the date of being placed on the convicted vendor list.
41.

In accordance with Executive Order 12549, Debarment and Suspension (43 CFR Part 12.100-.510), the Grantee shall agree and certify that neither it, nor its principals, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency; and, that the Grantee shall not knowingly enter into any lower tier contract, or other covered transaction, with a person who is similarly debarred or suspended from participating in this covered transaction, unless authorized in writing by USDOT to the Department.
 - B. Upon execution of this Agreement by the Grantee, the Grantee shall complete, sign and return a copy of the form entitled "Certification Regarding Debarments, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Federally Funded Transactions", attached hereto and made a part hereof as **Attachment C**.
 - C. As required by paragraphs A and B above, the Grantee shall include the language of this section, and **Attachment C** in all subcontracts or lower tier agreements executed to support the Grantee's work under this Agreement.
42. This Project Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Project Agreement shall be interpreted in such manner as to be

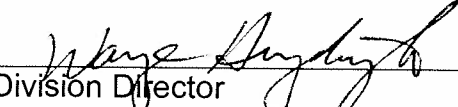

effective and valid under applicable law, but if any provision of this Project Agreement shall be prohibited or invalid under applicable Florida law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Project Agreement. Any action hereon or in connection herewith shall be brought in Leon County, Florida unless prohibited by applicable law.

43. No delay or failure to exercise any right, power or remedy accruing to either party upon breach or default by either party under this Project Agreement, shall impair any such right, power or remedy of either party; nor shall such delay or failure be construed as a waiver of any such breach or default, or any similar breach or default thereafter.
44. This Project Agreement is not intended nor shall it be construed as granting any rights, privileges or interest in any third party without mutual written agreement of the parties hereto.
45. This Project Agreement is an exclusive contract and may not be assigned in whole or in part without the prior written approval of the Department.
46. The parties hereto acknowledge and agree that the provisions contained in paragraphs 15, 23, 30, 31, and 32 shall survive the end date of this Agreement established in paragraph 1.
47. This Project Agreement represents the entire agreement of the parties. ATTACHMENT A
SPECIAL AUDIT REQUIREMENTS

The administration of resources awarded by the Department of Environmental Protection (*which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the contract/agreement*) to the recipient (*which may be referred to as the "Contractor", Grantee" or other name in the contract/agreement*) may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Agreement indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1., the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after 12/31/03) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).
4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <http://12.46.245.173/cfda/cfda.html>.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2)(1), Florida Statutes.

1. In the event that the recipient expends a total amount of State financial assistance equal to or in excess of \$300,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Executive Office of the Governor and the Chief Financial Officer; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement indicates State financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the State financial assistance expended in its fiscal year, the recipient shall consider all sources of State financial assistance, including State financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. 3. If the recipient expends less than \$300,000 in State financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$300,000 in State financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-State entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(7)(m), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)
