2.01. WARRANTIES, REPRESENTATIONS AND COVENANTS.

The Local Government warrants, represents and covenants that:

(1) The Local Government has full power and authority to enter into this Agreement and to comply with the provisions hereof.

(2) The Local Government currently is not the subject of bankruptcy, insolvency, or reorganization proceedings and is not in default of, or otherwise subject to, any agreement or any law, administrative regulation, judgment, decree, note, resolution, charter or ordinance which would currently restrain or enjoin it from entering into, or complying with, this Agreement.

(3) There is no material action, suit, proceeding, inquiry or investigation, at law or in equity, before any court or public body, pending or, to the best of the Local Government's knowledge, threatened, which seeks to restrain or enjoin the Local Government from entering into or complying with this Agreement.

(4) The Local Government knows of no reason why any future required permits or approvals associated with the Project are not obtainable.

(5) The Local Government shall undertake Preconstruction Activities and the Project on its own responsibility, to the extent permitted by law.

(6) To the extent permitted by law, the Local Government shall release and hold harmless the State, its officers, members, and employees from any claim arising in connection with the Local Government's actions or omissions in its planning, engineering, administrative, and construction activities financed by this Loan or in its operation of Project facilities.

(7) All Local Government representations to the Department, pursuant to the Loan Application and Agreement, were true and accurate as of the date such representations were made. The financial information delivered by the Local Government to the Department was current and correct as of the date such information was delivered. The Local Government shall comply with Chapter 62-503, Florida Administrative Code, or succeeding rules, and all applicable State and Federal laws, rules, and regulations which are identified in the Loan Application or Agreement. To the extent that any assurance, representation, or covenant requires a future action, the Local Government shall take such action as is necessary for compliance.

(8) The Local Government shall maintain records using generally accepted accounting principles established by the Governmental Accounting Standards Board. As part of its bookkeeping system, the Local Government shall keep accounts of the Pledged Revenues separate from all other accounts and it shall keep accurate records of all revenues, expenses, and expenditures relating to the Project, and of the Pledged Revenues, Loan disbursement receipts, and Loan Debt Service Account.

(9) In the event the anticipated Pledged Revenues are shown by the Local Government's annual budget to be insufficient to make the Semiannual Loan Payments for such Fiscal Year when due, the Local Government shall include in such budget other legally available non-ad valorem funds which will be sufficient, together with the Pledged Revenues, to make the Semiannual Loan Payments. Such other legally available non-ad valorem funds shall be budgeted in the regular annual governmental budget and designated for the purpose provided by this Subsection, and the Local Government shall collect such funds for application as provided herein. The Local Government shall notify the Department immediately in writing of any such budgeting of other legally available non-ad valorem funds. Nothing in this covenant shall be construed as creating a pledge, lien, or charge upon any such other legally available non-ad valorem funds; requiring the Local Government to levy or appropriate ad valorem tax revenues; or preventing the Local Government from pledging to the payment of any bonds or other obligations all or any part of such other legally available non-ad valorem funds.

(10) Each year, beginning three months before the first Semiannual Loan Payment and ending with the year during which the final Loan repayment is made, the Local Government's Authorized Representative or its chief financial officer shall submit, no later than the date established in Section 10.07, a certification that: (a) Pledged Revenue collections satisfy, on a pro rata basis, the rate coverage requirement; and (b) the Loan Debt Service Account contains the funds required.

(11) Pursuant to Section 216.347 of the Florida Statutes, the Local Government shall not use the Loan proceeds for the purpose of lobbying the Florida Legislature, the Judicial Branch, or a State agency.

(12) The Local Government agrees to complete the Preconstruction Activities and, if included by an amendment to this Agreement, the Project, in accordance with the Preconstruction Activities schedule set forth in Section 10.07 and a Project Schedule added by amendment to this Agreement. Delays incident to strikes, riots, acts of God, and other events beyond the reasonable control of the Local Government are excepted. However, there shall be no resulting diminution or delay in the Semiannual Loan Payment or the Monthly Loan Deposit.

(13) The Local Government covenants that this Agreement is entered into for the purpose of completing planning, engineering, and administrative activities in order to construct facilities which will, in all events, serve a public purpose.

2.02. LEGAL AUTHORIZATION.

Upon signing this Agreement, the Local Government's legal counsel hereby expresses the opinion, subject to laws affecting the rights of creditors generally, that:

(1) This Agreement has been duly authorized by the Local Government and shall constitute a valid and legal obligation of the Local Government enforceable in accordance with its terms upon execution by both parties; and

(2) This Agreement specifies the revenues pledged for repayment of the Loan, and the pledge is valid and enforceable.

2.03. AUDIT AND MONITORING REQUIREMENTS.

The Local Government agrees to the following audit and monitoring requirements.

(1) The financial assistance authorized pursuant to this Loan Agreement consists of the following:

Federal Resources, Including State Match, Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program Number	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category

In determining the Federal awards expended in its fiscal year, the Local Government shall consider all sources of Federal awards, including Federal resources received from the Department. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the Local Government conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.

(b) In connection with the audit requirements addressed in the preceding paragraph (a), the Local Government shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

(c) If the Local Government expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the Local Government expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from Local Government resources obtained from other than Federal entities).

(d) The Local Government may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <http://aspe.os.dhhs.gov/cfda>.

(3) Report Submission.

(a) Copies of reporting packages for audits conducted in accordance with OMB Circular A-133, as revised, and required by Subsection 2.03(2) of this Agreement shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, by or on behalf of the Local Government directly to each of the following:

- (ii) The Federal Audit Clearinghouse designated in OMB Circular A-133, as revised (the number of copies required by Sections .320 (d)(1) and (2), OMB Circular A-133, as revised, should be submitted to the Federal Audit Clearinghouse), at the following address:

Federal Audit Clearinghouse
Bureau of the Census

- (iii) Other Federal agencies and pass-through entities in accordance with Sections .320(e) and (f), OMB Circular A-133, as revised.

(b) Pursuant to Section .320(f), OMB Circular A-133, as revised, the Local Government shall submit a copy of the reporting package described in Section .320(c), OMB Circular A-133, as revised, and any management letters issued by the auditor, to the Department at the two addresses listed under Subsection 2.03(3)(a) of this Agreement.

(c) Any reports, management letters, or other information required to be submitted to the Department pursuant to this Agreement shall be submitted timely in accordance with OMB Circular A-133, Florida Statutes, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

(d) Local Governments, when submitting financial reporting packages to the Department for audits done in accordance with OMB Circular A-133, or Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Local Government in correspondence accompanying the reporting package.

(4) Project-Specific Audit.

Within 12 months after the amendment establishing final Project costs the Local Government shall submit to the Department a Project-specific audit report for the Loan related revenues and expenditures. The audit shall address Loan disbursements received, Project expenditures, and compliance with Loan Agreement covenants. The Local Government shall cause the auditor to notify the Department immediately if anything comes to the auditor's attention during the examination of records that would constitute a default under the Loan Agreement. The audit findings shall set aside or question any costs that are unallowable under Chapter 62-503, Florida Administrative Code. A final determination of whether such costs are allowed shall be made by the Department.

Notwithstanding the preceding paragraph, a Project-specific audit shall not be required if the only disbursements of Loan proceeds under this Agreement, including amendments thereto, are for the administrative, planning, and engineering allowances.

(5) Record Retention.

The Local Government shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of three years from the date the audit report is issued, and shall allow the Department, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The Local Government shall ensure that audit working papers are made available to the Department, or its designee, Chief Financial Officer, or Auditor General upon request for a period of three years from the date the audit report is issued, unless extended in writing by the Department.

(6) Monitoring.

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised (see audit requirements above), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Local Government agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the Local Government is appropriate, the Local Government agrees to comply with any additional instructions provided by the Department to the Local Government regarding such audit. The Local Government further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

ARTICLE III - LOAN REPAYMENT ACCOUNT

3.01. LOAN DEBT SERVICE ACCOUNT.

The Local Government shall establish a Loan Debt Service Account with a Depository and begin making Monthly Loan Deposits no later than the date set forth in Section 10.07 unless the date is revised by amendment of this Agreement.

Beginning six months prior to each Semiannual Loan Payment, the Local Government shall make six Monthly Loan Deposits. The first five deposits each shall be at least equal to one-sixth of the Semiannual Loan Payment. The sixth Monthly Loan Deposit shall be at least equal to the amount required to make the total on deposit in the Loan Debt Service Account equal to the Semiannual Loan Payment amount, taking into consideration investment earnings credited to the account pursuant to Section 3.02.

Any month in which the Local Government fails to make a required Monthly Loan Deposit, the Local Government's chief financial officer shall notify the Department of such failure. In addition, the Local Government agrees to budget, by amendment if necessary, payment to the Department from other legally available non-ad valorem funds all sums becoming due before the same become delinquent. This requirement shall not be construed to give superiority to the Department's claim on any revenues over prior claims of general creditors of the Local Government, nor shall it be construed to give the Department the power to require the Local Government to levy and collect any revenues other than Pledged Revenues.

3.02. INVESTMENT OF LOAN DEBT SERVICE ACCOUNT MONEYS.

Moneys on deposit in the Loan Debt Service Account shall be invested pursuant to the laws of the State of Florida. Such moneys may be pooled for investment purposes. The maturity or redemption date of investments shall be not later than the date upon which such moneys may be needed to make Semiannual Loan Payments. The investment earnings shall be credited to the Loan Debt Service Account and applied toward the Monthly Loan Deposit requirements.

3.03. LOAN DEBT SERVICE ACCOUNT WITHDRAWALS.

The withdrawal of moneys from the Loan Debt Service Account shall be for the sole purpose of making the Semiannual Loan Payment or for discharging the Local Government's obligations pursuant to Section 8.01.

3.04. ASSETS HELD IN TRUST.

The assets in all accounts created under this Loan Agreement shall be held in trust for the purposes provided herein and used only for the purposes and in the manner prescribed in this Agreement; and, pending such use, said assets shall be subject to a lien and charge in favor of the Department.

ARTICLE IV - PROGRAM INFORMATION

4.01. PROJECT CHANGES.

After the Department's environmental review has been completed, the Local Government shall promptly notify the Department, in writing, of any Project change that would require a modification to the environmental information document.

4.02. TITLE TO PROJECT SITE.

No later than the date established by Section 10.07, the Local Government shall have an interest in real property sufficient for the construction and location of any facility planned and designed through Preconstruction Activities free and clear of liens and encumbrances which would impair the usefulness of such sites for the intended use. If a limited site title certification is accepted at that date, the Department shall establish a date for submittal of a clear site title certification in an amendment or new agreement which provides financing for construction of affected facilities.

4.03. RESERVED.

4.04. RESERVED.

4.05. PROHIBITION AGAINST ENCUMBRANCES.

The Local Government is prohibited from selling, leasing, or disposing of any part of the Stormwater System which would materially reduce operational integrity or Pledged Revenues so long as this Agreement, including any amendment thereto, is in effect unless the written consent of the Department is first secured.

4.06. COMPLETION MONEYS.

In addition to the proceeds of this or subsequent Loans, the Local Government covenants that it has obtained, or will obtain, sufficient moneys from other sources to complete the Preconstruction Activities. The Local Government also covenants that if additional Loan financing is provided for Construction Related Costs by amendment of this Agreement, it will obtain sufficient moneys from other sources as necessary to complete the Project.

4.07. CLOSE-OUT.

The Department may conduct a final inspection of the Preconstruction Activities records, or if this Agreement is amended to fund Construction Related Costs, the Department shall conduct a final inspection of the Project records. Following the inspection, deadlines for submitting additional disbursement requests, if any, shall be established, along with deadlines for uncompleted Loan requirements, if any. Deadlines shall be incorporated into the Loan Agreement by amendment. After the Department establishes the final allowances and costs to be financed by the Loan, the itemized amounts may be adjusted by amendment. The Loan principal shall be reduced by any excess over the amount required to pay all approved allowances and costs. As a result of such adjustment, the Semiannual Loan Payment shall be reduced accordingly, as addressed in Section 10.05.

4.08. LOAN DISBURSEMENTS.

Disbursements shall be made only by the State Chief Financial Officer and only when the requests for such disbursements are accompanied by a Department certification that such withdrawals are proper expenditures. Disbursements shall be made directly to the Local Government for planning, engineering, and administration allowances.

Requests by the Local Government for disbursements of the preconstruction funds shall be made using the Department's disbursement request form but shall not require documentation of actual costs incurred. Up to twenty percent of the allowance shall be disbursed after a Loan Agreement is signed. Up to fifty percent of the allowance shall be disbursed after the planning documentation has been completed and accepted. The remainder of the allowance shall be disbursed after all procurement contracts are executed and shall be adjusted to reflect as-bid costs. The Department may disburse the entire estimated allowance amount after acceptance of the plans and specifications or completion of the request for proposals, if the Local Government agrees to an allowance adjustment once all contracts have been bid.

Disbursements for Construction Related Costs shall occur only as a result of an amendment to this Agreement. The following allowance amounts will be disbursed after the specified milestone events unless the allowances are reduced pursuant to Section 10.06:

Milestone Event	Amount
Loan Agreement executed	\$ 103,839
Department acceptance of planning documents	259,598
Department acceptance of executed procurement contracts	155,758
Total	\$ 519,195

ARTICLE V - RATES AND USE OF THE STORMWATER SYSTEM

5.01. RATE COVERAGE.

The Local Government shall maintain and collect Stormwater Non-ad Valorem Assessments which will be sufficient to provide, in each Fiscal Year, Pledged Revenues equal to or exceeding 1.20 times the sum of the Semiannual Loan Payments due in such Fiscal Year. In addition, the Local Government shall satisfy the coverage requirements of all senior and parity debt obligations.

5.02. MAINTENANCE OF THE STORMWATER SYSTEM.

The Local Government shall operate and maintain the Stormwater System in a proper, sound and economical manner and shall make all necessary repairs, renewals and replacements.

5.03. ADDITIONS AND MODIFICATIONS.

The Local Government may make any additions, modifications or improvements to the Stormwater System which it deems desirable and which does not materially reduce the operational integrity of any part of the Stormwater System. All such renewals, replacements, additions, modifications and improvements shall become part of the Stormwater System.

5.04. COLLECTION OF REVENUES.

The Local Government shall use its best efforts to collect all Pledged Revenues. The Local Government shall establish liens on premises served by the Stormwater System for the amount of all delinquent rates, fees and other charges where such action is permitted by law. The Local Government shall use its best efforts to shut off water service furnished to persons who are delinquent beyond customary grace periods in the payment of Stormwater System rates, fees and other charges.

ARTICLE VI - DEFAULTS AND REMEDIES

6.01. EVENTS OF DEFAULT.

Each of the following events is hereby declared an event of default:

(1) Failure to make any Monthly Loan Deposit or to make any installment of the Semiannual Loan Payment when it is due and such failure shall continue for a period of 30 days.

(2) Except as provided in Subsections 6.01(1) and (7), failure to comply with the provisions of this Agreement or failure in the performance or observance of any of the covenants or actions required by this Agreement and such failure shall continue for a period of 60 days after written notice thereof to the Local Government by the Department.

(3) Any warranty, representation or other statement by, or on behalf of, the Local Government contained in this Agreement or in any information furnished in compliance with, or in reference to, this Agreement, which is false or misleading.

(4) An order or decree entered, with the acquiescence of the Local Government, appointing a receiver of any part of the Pledged Revenues; or if such order or decree, having been entered without the

consent or acquiescence of the Local Government, shall not be vacated or discharged or stayed on appeal within 60 days after the entry thereof.

(5) Any proceeding instituted, with the acquiescence of the Local Government, for the purpose of effecting a composition between the Local Government and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are payable from Pledged Revenues of the Stormwater System.

(6) Any bankruptcy, insolvency or other similar proceeding instituted by or against, the Local Government under federal or state bankruptcy or insolvency law now or hereafter in effect and, if instituted against the Local Government, is not dismissed within 60 days after filing.

(7) Failure of the Local Government to give immediate written notice of default to the Department and such failure shall continue for a period of 30 days.

6.02. REMEDIES.

Upon an event of default and subject to the rights of others having prior liens on the Pledged Revenues, the Department may enforce its rights by any of the following remedies:

(1) By mandamus or other proceeding at law or in equity, cause to establish rates and collect fees and charges for use of the Stormwater System, and to require the Local Government to fulfill this Agreement.

(2) By action or suit in equity, require the Local Government to account for all moneys received from the Department or from the ownership of the Stormwater System and to account for the receipt, use, application, or disposition of the Pledged Revenues.

(3) By action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Department.

(4) By applying to a court of competent jurisdiction, cause to appoint a receiver to manage the Stormwater System, establish and collect fees and charges, and apply the revenues to the reduction of the obligations under this Agreement.

(5) By certifying to the Auditor General and the Chief Financial Officer delinquency on Loan repayments, the Department may intercept the delinquent amount plus a penalty from any unobligated funds due to the Local Government under any revenue or tax sharing fund established by the State, except as otherwise provided by the State Constitution. The Department may impose a penalty in an amount not to exceed an interest rate of 18 percent per annum on the amount due in addition to charging the cost to handle and process the debt. Penalty interest shall accrue on any amount due and payable beginning on the 30th day following the date upon which payment is due.

(6) By notifying financial market credit rating agencies and potential creditors.

(7) By suing for payment of amounts due, or becoming due, with interest on overdue payments together with all costs of collection, including attorneys' fees.

(8) By accelerating the repayment schedule or increasing the Financing Rate on the unpaid principal of the Loan to as much as 1.667 times the Financing Rate for a default under Subsection 6.01(1).

6.03. DELAY AND WAIVER.

No delay or omission by the Department to exercise any right or power accruing upon an event of default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised as often as may be deemed expedient. No waiver or any default under this Agreement shall extend to or affect any subsequent event of default, whether of the same or different provision of this Agreement, or shall impair consequent rights or remedies.

ARTICLE VII - THE PLEDGED REVENUES

7.01. SUPERIORITY OF THE PLEDGE TO THE DEPARTMENT.

From and after the effective date of this Agreement, the Department shall have a lien on the Pledged Revenues, which along with any other Department State Revolving Fund liens on the Pledged Revenues, will be prior and superior to any other lien, pledge or assignment with the following exception. All obligations of the Local Government under this Agreement shall be junior, inferior, and subordinate in all respects in right of payment and security to any additional senior obligations issued with the Department's consent pursuant to Section 7.02. Any of the Pledged Revenues may be released from the lien on such Pledged Revenues in favor of the Department if the Department makes a determination, based upon facts deemed sufficient by the Department, that the remaining Pledged Revenues will, in each Fiscal Year, equal or exceed 1.20 times the debt service coming due in each Fiscal Year under the terms of this Agreement.

7.02. ADDITIONAL DEBT OBLIGATIONS.

The Local Government may issue additional debt obligations on a parity with, or senior to, the lien of the Department on the Pledged Revenues provided the Department's written consent is obtained. Such consent shall be granted if the Local Government demonstrates at the time of such issuance that the Pledged Revenues, which may take into account reasonable projections of growth of the Stormwater System and revenue increases, plus revenues to be pledged to the additional proposed debt obligations will, during the period of time Semiannual Loan Payments are to be made under this Agreement, equal or exceed 1.20 times the annual combined debt service requirements of this Agreement and the obligations proposed to be issued by the Local Government and will satisfy the coverage requirements of all other debt obligations secured by the Pledged Revenues.

ARTICLE VIII - GENERAL PROVISIONS

8.01. DISCHARGE OF OBLIGATIONS.

All payments required to be made under this Agreement shall be cumulative and any deficiencies in any Fiscal Year shall be added to the payments due in the succeeding year and all years thereafter until fully paid. Payments shall continue to be secured by this Agreement until all of the payments required shall be fully paid to the Department. If, at any time, the Local Government shall have paid, or shall

have made provision for the timely payment of, the entire principal amount of the Loan, and as applicable, Loan Service Fee, interest, and Grant Allocation Assessment charges, the pledge of, and lien on, the Pledged Revenues to the Department shall be no longer in effect. Deposit of sufficient cash, securities, or investments, authorized by law, from time to time, may be made to effect defeasance of this Loan. However, the deposit shall be made in irrevocable trust with a banking institution or trust company for the sole benefit of the Department. There shall be no penalty imposed by the Department for early retirement of this Loan.

8.02. RECORDS AND STATEMENTS.

Books, records, reports, engineering documents, contract documents, and papers shall be available to the authorized representatives of the Department and the U.S. Environmental Protection Agency's Inspector General for inspection at any reasonable time after the Local Government has received a disbursement and until three years after the date that the Project-specific audit report, required under Subsection 2.03(4), is issued.

8.03. ACCESS TO WORK SITE.

The Local Government shall provide access to offices and other sites where Preconstruction Activities or Project work (if financed by this Loan) is ongoing, or has been performed, to authorized representatives of the Department at any reasonable time. The Local Government shall cause its engineers and contractors to provide copies of relevant records and statements for inspection.

8.04. ASSIGNMENT OF RIGHTS UNDER AGREEMENT.

The Department may assign any part of its rights under this Agreement after notification to the Local Government. The Local Government shall not assign rights created by this Agreement without the written consent of the Department.

8.05. AMENDMENT OF AGREEMENT.

This Agreement may be amended, except that no amendment shall be permitted which is inconsistent with statutes, rules, regulations, executive orders, or written agreements between the Department and the U.S. Environmental Protection Agency. A final amendment establishing the final allowances and costs financed by this Loan and the actual Loan Service Fee shall be completed after the Department's final inspection of relevant documents.

8.06. ANNULMENT OF AGREEMENT.

The Department may unilaterally annul this Agreement if the Local Government has not drawn any of the Loan proceeds within eighteen months after the effective date of this Agreement. If the Department unilaterally annuls this Agreement, the Department will provide written notification to the Local Government.

8.07. SEVERABILITY CLAUSE.

If any provision of this Agreement shall be held invalid or unenforceable, the remaining provisions shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

ARTICLE IX - RESERVED

ARTICLE X - DETAILS OF FINANCING

10.01. PRINCIPAL AMOUNT OF LOAN.

The principal amount of the Loan is \$529,995, which includes \$519,195 to be disbursed to the Local Government and \$10,800 of Capitalized Interest.

Capitalized Interest is not disbursed to the Local Government, but is amortized via periodic Loan repayments to the Department as if it were actually disbursed. Capitalized Interest is computed at the Financing Rate, or rates, set for the Loan. It accrues and is compounded annually from the time when disbursements are made until six months before the first Semiannual Loan Payment is due. Capitalized Interest is estimated prior to establishment of the schedule of actual disbursements.

10.02. LOAN SERVICE FEE.

The Loan Service Fee is estimated as \$10,384 for the Loan amount authorized to date. The fee represents two percent of the Loan amount excluding Capitalized Interest; that is, two percent of \$519,195. The fee shall be revised with any increase or decrease amendment. The Loan Service Fee shall be based on actual Project costs and will be assessed in the final Loan amendment. The Local Government shall pay the Loan Service Fee from the first available repayments following the final amendment.

Capitalized Interest is computed on the assessed Loan Service Fee at the Financing Rate, or rates and included in the final amendment. It accrues and is compounded annually from the final amendment date until six months before the first Semiannual Loan Payment is due. A service fee assessed in a final amendment occurring later than six months before the first Semiannual Loan Payment date would not accrue Capitalized Interest charges.

10.03. FINANCING RATE.

The Financing Rate on the unpaid principal of the Loan amount specified in Section 10.01 is 2.37 percent per annum. The Financing Rate equals the sum of the interest rate and the Grant Allocation Assessment Rate. The interest rate is 1.185 percent per annum and the Grant Allocation Assessment rate is 1.185 percent per annum. However, if this Agreement is not executed by the Local Government and returned to the Department before April 1, 2008, the Financing Rate may be adjusted. A new Financing Rate shall be established for any funds provided by amendment to this Agreement.

10.04. LOAN TERM.

The Loan shall be repaid in 40 Semiannual Loan Payments.

10.05. REPAYMENT SCHEDULE.

The Semiannual Loan Payment shall be computed based upon the principal amount of the Loan plus the estimated Loan Service Fee and the principle of level debt service. The Department will deduct the Loan Service Fee and any associated interest from the first available repayments following the final amendment. The Loan principal and Semiannual Loan Payment amounts may be revised by amendment of the Agreement. After the final disbursement of Loan proceeds, the Loan principal will be adjusted to

reflect the actual dates and amounts of disbursements. Accordingly, the Semiannual Loan Payment amount shall be adjusted, taking into consideration any previous payments.

Until the principal amount of the Loan is amended, the Semiannual Loan Payment shall be in the amount of \$17,042. The interest and Grant Allocation Assessment portions of each Semiannual Loan Payment shall be computed, using their respective rates, on the unpaid balance of the principal amount of the Loan, which principal includes Capitalized Interest. Interest (at the Financing Rate) shall also be computed on the unpaid balance of the estimated Loan Service Fee. The interest and Grant Allocation Assessment on the unpaid balance shall be computed as of the due date of each Semiannual Loan Payment.

Unless repayment is deferred by an amendment to this Agreement, Semiannual Loan Payments shall be received by the Department beginning on May 15, 2010, and semiannually thereafter on November 15 and May 15 of each year until all amounts due have been fully paid. Funds transfer shall be made by electronic means.

The Semiannual Loan Payment amount is based on the total amount owed of \$540,379, which consists of the Loan principal plus the estimated Loan Service Fee.

10.06. PROJECT RELATED COSTS.

The Local Government and the Department acknowledge that actual Project costs or Preconstruction Activities allowances have not been determined as of the effective date of this Agreement. An adjustment to Preconstruction Activities allowances may be made due to a reduction in the scope of work proposed for construction as a result of the planning process. Failure to achieve Department acceptance of plans and specifications prior to the date specified in Section 10.07 may cause adjustment of the Preconstruction Activities Allowances. Capitalized Interest will be recalculated based on actual dates and amounts of Loan disbursements. The final allowance amounts, and Project costs if financed by this Loan, shall be established in the final amendment. Changes in Preconstruction Activities allowances or Project costs may also occur as a result of the Local Government's audit or the Department's audit.

The Local Government agrees to the following estimates of Preconstruction Activities allowances and related costs:

Allowance (Disbursable Amount)	\$	519,195
Capitalized Interest	\$	<u>10,800</u>
TOTAL (Loan Principal Amount)	\$	<u>529,995</u>

The allowance is based on estimated construction costs of \$5,474,166, which excludes Capitalized Interest.

10.07. SCHEDULE.

All Preconstruction Activities shall be completed no later than the date set forth below. Preconstruction Activities shall be completed in time to enable the Department to take the actions scheduled in Subsections (1) and (4) below.

(1) Acceptance of the planning documents by the Department (Design Authorization) has been completed.

- (8) Unless this Agreement is amended to provide construction financing, the first Semiannual Loan Payment in the amount of \$17,042 shall be due May 15, 2010.
