- (A) The City has enacted the Code to provide for the creation of assessment areas and authorize the imposition of Assessments to fund the construction of Local Improvements to serve the properties located therein.
- (B) The Wastewater Improvements constitute a Local Improvement, as defined in the Code, and enable the City to continue to provide wastewater treatment service to the properties located within the Assessment Area.
- (C) The Wastewater Improvements within the Assessment Area provide a special benefit to the property located within the Assessment Area and possess a logical relationship to the use and enjoyment of property by providing: (1) access to central wastewater collection and treatment facilities to the owners and occupants of property for the proper, safe, and cost effective treatment and disposal of wastewater generated on such property; (2) better, consistent and environmentally compliant service to owners and occupants; (3) the enhancement of environmentally responsible use and enjoyment of property, and (4) the protection of property values and the health and safety of the owners and occupants of property.

- (D) The Council hereby finds and determines that the Assessments to be imposed in accordance with this Resolution provide an equitable method of funding construction of the Wastewater Improvements by fairly and reasonably allocating the cost to specially benefitted property based upon the number of EDUs attributable to each Tax Parcel.
- (E) It is fair and reasonable to use EDUs to apportion the Project Cost of the Wastewater Improvements because the volume of wastewater collection and treatment capacity needed to serve each Tax Parcel is driven by the amount of wastewater produced by the buildings on said Tax Parcel on an average day basis.
- (F) The Council hereby finds that each property within the Assessment Area will be benefited by the Wastewater Improvements in an amount not less than the Assessment imposed against such property, as computed in the manner set forth in this Resolution.

The hearing will be held at 5:30 p.m., or as soon thereafter as the matter can be heard, on September 9, 2008 at the Marathon Government Center, EOC Room, 2798 Overseas Highway, Marathon, Florida for the purpose of receiving public comment on the proposed assessments and their collection on the tax bill. In accordance with the Americans with Disabilities Act, if you are a person with a disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the City at (305)289-5020, at least seven days prior to the public hearing. All affected property owners have a right to appear at the hearing and to file written objections with the City within 20 days of this notice. If a person wishes to appeal any decision made by the City Council with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

The Assessments were originally imposed by the Florida Keys Aqueduct Authority (the "Authority") in 2002 and 2003 to fund the construction of the wastewater collection and treatment improvements within the Little Venice Wastewater District, which was divided into sub-assessment areas based upon the year the initial assessments were imposed. Pursuant to the terms of the Little Venice Transfer Agreement entered into by and between the Authority and the City, the City will assume the ownership and operation of the Little Venice wastewater collection and treatment system on or about October 1, 2008. Accordingly, the City will take over the annual collection of the outstanding Assessments. The assessment for each parcel of property will be determined in accordance with the calculation procedures adopted by the Authority, which were based on the number of equivalent dwelling units (EDUs) attributable to each parcel. Unless prepaid, the annual assessment include your share of the principal, interest and collection cost. The maximum annual assessment is _ per EDU for those properties in the 2002 sub-assessment area, estimated to be \$ per EDU for those properties in the 2003 sub-assessment area. A more specific description is set forth in Resolution No. 02-09 adopted by the Authority on February 21, 2002 and Resolution No. 03-14 adopted by the Authority on June 26, 2003, which were ratified and confirmed by the City with the adoption of Resolution No.___ on August 12, 2008. Copies of these resolutions, the Little Venice Transfer Agreement, and the updated Assessment Roll are available for inspection at the offices of the City Manager, located at 9805 Overseas Highway, Marathon, Florida.

The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. The City Council intends to collect the assessments which were originally imposed in 2002 in not to exceed fourteen (14) annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2008. The City Council intends to collect the assessments which were originally imposed in 2003 in not to exceed fifteen (15) annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2008. NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF SPECIAL ASSESSMENTS

Notice is hereby given that the City of Marathon, Florida, (the "City") will conduct a public hearing to consider the continued imposition of special assessments against certain parcels of property located in the Little Venice Wastewater District. The hearing will be held at 5:30 p.m., or as soon thereafter as the matter can be heard, on September 9, 2008 at the Marathon Government Center, EOC Room, 2798 Overseas Highway, Marathon, Florida for the purpose of receiving public comment on the proposed assessments and their collection on the tax bill. In accordance with the Americans with Disabilities Act, if you are a person with a disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the City at (305)289-5020, at least seven days prior to the public hearing. All affected property owners have a right to appear at the hearing and to file written objections with the City within 20 days of this notice. If a person wishes to appeal any decision made by the City Council with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

The Assessments were originally imposed by the Florida Keys Aqueduct Authority (the "Authority") in 2002 and 2003 to fund the construction of the wastewater collection and treatment improvements within the Little Venice Wastewater District, which was divided into sub-assessment areas based upon the year the initial assessments were imposed. Pursuant to the terms of the Little Venice Transfer Agreement entered into by and between the Authority and the City, the City will assume the ownership and operation of the Little Venice wastewater collection and treatment system on or about October 1, 2008. Accordingly, the City will take over the annual collection of the outstanding Assessments. The assessment for each parcel of property will be determined in accordance with the calculation procedures adopted by the Authority, which were based on the number of equivalent dwelling units (EDUs) attributable to each parcel. Unless prepaid, the annual assessment include your share of the principal, interest and collection cost. The maximum annual assessment is per EDU for those properties in the 2002 sub-assessment area, per EDU for those properties in the 2003 sub-assessment area. A more specific description is set forth in Resolution No. 02-09 adopted by the Authority on February 21, 2002 and Resolution No. 03-14 adopted by the Authority on June 26, 2003, which were ratified and confirmed by the City with the adoption of Resolution No. on August 12, 2008. Copies of these resolutions, the Little Venice Transfer Agreement, and the updated Assessment Roll are available for inspection at the offices of the City Manager, located at 9805 Overseas Highway, Marathon, Florida.

The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. The City Council intends to collect the assessments which were originally imposed in 2002 in not to exceed fourteen (14) annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2008. The City Council intends to collect the assessments which were originally imposed in 2003 in not to exceed fifteen (15) annual assessments, the first of which will be included on the ad valorem tax bill to be mailed in November 2008. Future annual assessments may be prepaid at the option of the property owner.

If you have any questions, please contact Community Services at (305)289-4104 or (305)289-4115.

SECTION 1.03. GENERAL FINDINGS. It is hereby ascertained, determined and declared that:

- (A) The Florida Legislature has identified the Florida Keys as an area of critical state concern; pollution and questionable water quality resulting from the absence of adequate wastewater treatment throughout the Florida Keys is a threat to the environment and the health, safety and welfare of landowners and persons inhabiting the Florida Keys and represents a burden on the environment created by each improved property.
- (B) The Florida Legislature has charged the Authority with the responsibility to plan and provide for water and sewer systems within the Florida Keys and to enforce the use of its wastewater facilities whenever and wherever they are accessible. The use of advanced wastewater treatment and collection facilities provided by the Authority serves to remove environmental burdens created by inadequate wastewater treatment.
- (C) The Florida Legislature has empowered the Authority to both prohibit the use of and mandate the use of wastewater facilities within the Florida Keys.
- (D) The Authority has embarked upon the creation of wastewater system to equitably, ecologically and economically manage wastewater and improve the water quality in the Florida Keys. The presence of the Authority's wastewater facilities will enhance and benefit the environment and the health, safety and general welfare of landowners and persons inhabiting the Florida Keys and remove environmental burdens created by inadequate wastewater treatment.

- (E) Mandatory connection to the Authority's wastewater system is fundamental to the successful financing, creation and operation of the Authority's wastewater system. Mandatory connections to a governmental utility system and the subsequent charges flowing therefrom have long been held to be a proper exercise of a governmental power to regulate and protect the welfare of the public.
- (F) The Authority is expressly authorized to prescribe, fix, establish and collect rates, fees and charges which shall be a lien upon any parcel of property superior to all other liens except the lien of county or municipal taxes, and which shall be on parity with such taxes. The Authority is also expressly authorized to adopt by reference and utilize and take advantage of any relevant provisions of Chapters 100, 153, 159, and 170, Florida Statutes. The foregoing provisions provide for the imposition and collection of charges in the form of special assessments; such impositions are also sometimes characterized as non-ad valorem assessments. Section 197.3631, Florida Statutes, provides that the Uniform Assessment Collection Act is additional authority for local governments to impose and collect non-ad valorem assessments supplemental to other laws.
- (G) The Board of Directors of the Authority has adopted Chapter 48-103, Supplemental and Alternative Assessment Procedure, to provide for the imposition of Assessments to fund Utility Improvements to serve improved property located within the Little Venice Wastewater District Service Area.
- (H) The Wastewater Improvements constitute a Utility Improvement, as defined in the Rule.
- (I) The Board desires to create the Assessment Area to fund, in part, the construction of the Wastewater Improvements.

- (J) The construction of such Wastewater Improvements will improve the environmentally sound use and enjoyment of all improved property located within the Assessment Area and address the environmental burdens created by less effective means of treating wastewater currently in use, thereby providing a special benefit to such property.
- (K) Due to the configuration and relative size and use of the individual parcels, the use of EDUs is the most equitable method of computing Assessments to fund Wastewater Improvements within the Assessment Area.
- (L) The Board hereby finds and determines that the Assessments to be imposed in accordance with this Resolution provide an equitable method of funding the Wastewater Improvements by fairly and reasonably allocating the cost to specially benefited property.

NOTICE AND PUBLIC HEARING

the Wastewater Improvements is \$8,100,000. Such cost has been partially offset by a grant from the United States Environmental Protection Agency in the amount of approximately \$4,300,000. The estimated Capital Cost for the Wastewater Improvements is \$2,967,941. The estimated Project Cost of the Wastewater Improvements is \$3,291,500. The Project Cost identified herein will be funded through the imposition of System Development Charges. To the extent such System Development Charges are not paid prior to July 31, 2002, Assessments shall be imposed against property located in the Assessment Area in the manner set forth in Article III hereof. To the extent such System Development Charges and Assessments do not fund all costs associated with the Wastewater Improvements, the Authority will make additional charges in the monthly service bill of each affected user or customer. The Project Cost is therefore only representative of that portion of any Obligations required to finance a System Development Charge of \$4,700 per EDU.

SECTION 2.02. ASSESSMENT ROLL. The Director is hereby directed to prepare a final estimate of the Capital Cost of the Wastewater Improvements and to prepare the preliminary Assessment Roll in the manner provided in the Rule. The Director shall apportion the Project Cost among the parcels of real property within the Assessment Area as reflected on the Tax Roll in conformity with Article III hereof. Such apportionment shall be based upon a System Development Charge for each Tax Parcel based upon \$4,700 per EDU. The estimate of Capital Cost and the

Assessment Roll shall be maintained on file in the offices of the Director and open to public inspection. As provided in Article III hereof, an equivalent amount to any System Development Charge not timely prepaid shall be imposed against each improved Tax Parcel within the Assessment Area. The foregoing shall not be construed to require that the Assessment Roll be in printed form if the amount of the Assessment for each Tax Parcel can be determined by use of a computer terminal available to the public.

SECTION 2.03. PUBLIC HEARING. A public hearing will be conducted by the Board at 1:00 PM on March 27, 2002, in the FKAA Administration Building, 1100 Kennedy Drive, Key West, Florida, to consider (A) confirmation of the Assessment Area, (B) imposition of the Assessments, and (C) collection of the Assessments pursuant to the Uniform Assessment Collection Act.

SECTION 2.04. NOTICE BY PUBLICATION. Upon completion of the materials required by Section 2.02 hereof, the Director shall publish a notice of the public hearing authorized by Section 2.03 hereof in the manner and the time provided in Rule 48-103.004. Such notice shall be in substantially the form attached hereto as Appendix A.

SECTION 2.05. NOTICE BY MAIL. Upon completion of the materials required by Section 2.02 hereof, the Director shall, at the time and in the manner specified in Rule 48-103.005, provide first class mailed notice of the public hearing authorized by Section 2.03 hereof to each property owner proposed to be assessed at the address indicated on the Tax Roll. Such notice shall be in substantially the form attached hereto as Appendix B.

ARTICLE III

ASSESSMENTS

SECTION 3.01. DESCRIPTION OF PROPOSED IMPROVEMENT AREA. The Board proposes to confirm the creation of the Little Venice Wastewater District Service Area which includes area described as bounded by US Highway 1 on the northwest and by the Atlantic Ocean on the southeast from Vaca Cut to 95th Street along the western side of the Marathon Airport. The Assessment Area is proposed for the purpose of improving the sound environmental use and enjoyment of property by funding the construction of Wastewater Improvements for all improved property located therein.

SECTION 3.02. IMPOSITION OF ASSESSMENTS. Assessments shall be imposed against property located within the Assessment Area for a period of twenty (20) years. The first annual Assessment will be included on the ad valorem tax bill to be mailed in November 2002. When imposed, the Assessment for each Fiscal Year shall constitute a lien upon the Tax Parcels located in the Assessment Area, pursuant to the Rule.

SECTION 3.03. PREPAYMENT AMOUNTS.

(A) If applicable, the Initial Prepayment Amount for each Tax Parcel located within the Assessment Area shall be computed by (1) dividing the number of EDUs attributable to such Tax Parcel by the total number of EDUs attributable to Tax Parcels within the Assessment Area, and (2) multiplying the result by the estimated Capital Cost of the Wastewater Improvements.

- (B) Following issuance of the Original Obligations, an Adjusted Prepayment Amount for each Tax Parcel, other than those Tax Parcels as to which the Assessment has been prepaid prior to issuance of the Original Obligations, shall be computed by multiplying (1) the amount computed by dividing (a) the Initial Prepayment Amount established herein for such Tax Parcel by (b) the sum of (i) the aggregate Initial Prepayment Amounts for all Tax Parcels within the Assessment Area and (ii) the aggregate comparable prepayment amounts computed for all Tax Parcels against which a special assessment has been imposed to finance other Utility Improvements funded from proceeds of the Original Obligations, in each case excluding those Tax Parcels as to which the Assessment has been prepaid prior to issuance of the Original Obligations, by (2) the principal amount of the Original Obligations. The Adjusted Prepayment Amount for each Tax Parcel shall be revised annually, as provided in Section 3.04(I) hereof.
- (C) Following issuance of any Refunding Obligations, a new Adjusted Prepayment Amount for each Tax Parcel, other than those Tax Parcels as to which the Assessment has been prepaid prior to issuance of such Refunding Obligations, shall be computed by multiplying (1) the amount computed by dividing (a) the Adjusted Prepayment Amount for such Tax Parcel by (b) the sum of (i) the aggregate Adjusted Prepayment Amounts for all Tax Parcels within the Assessment Area and (ii) the aggregate comparable prepayment amounts computed for all Tax Parcels against which a special assessment has been imposed to finance other Utility Improvements funded from proceeds of the Obligations being refunded, in each case excluding those Tax Parcels as to which the Assessment has been prepaid prior to issuance of such Refunding Obligations, by (2) the principal

amount of such Refunding Obligations. The Adjusted Prepayment Amount for each Tax Parcel shall be revised annually, as provided in Section 3.04(I) hereof.

SECTION 3.04. COMPUTATION OF ASSESSMENTS. The Assessment shall be computed for each Tax Parcel in the manner set forth in this Section 3.04.

- (A) <u>DEBT SERVICE AMOUNT</u>. A "Debt Service Amount" shall be computed for each Fiscal Year as the amount which would be payable in respect of the Obligations in accordance with a debt service schedule prepared under the following assumptions: (1) the principal installments equal those established in the Funding Agreement, and (2) the Obligations bear interest at a rate two full percentage points in excess of the actual rates; provided however, that the "Debt Service Amount" for any Fiscal Year shall not exceed the principal amount of Obligations then outstanding plus interest thereon at rates two full percentage points in excess of the actual rates.
- (B) PREPAYMENT MODIFICATION FACTOR. A "Prepayment Modification Factor" shall be computed for each Fiscal Year by dividing (1) the amount computed by subtracting (a) the sum of the Adjusted Prepayment Amounts, as of the date on which the Obligations are issued by the Authority, for all Tax Parcels as to which prepayment has been made following issuance of the Obligations, from (b) the total principal amount of Obligations initially issued by the Authority, by (2) the total principal amount of Obligations initially issued by the Authority.
- (C) MODIFIED DEBT SERVICE AMOUNT. A "Modified Debt Service Amount" shall be computed for each Fiscal Year by multiplying (1) the Debt Service Amount by (2) the Prepayment Modification Factor.

- (D) <u>ANNUAL DEBT SERVICE FACTOR</u>. An "Annual Debt Service Factor" shall be computed for each Fiscal Year by dividing (1) the Modified Debt Service Amount by (2) the aggregate Adjusted Prepayment Amount.
- (E) <u>ANNUAL DEBT SERVICE COMPONENT</u>. The "Annual Debt Service Component" shall be computed for each Fiscal Year for each Tax Parcel by multiplying (1) the Adjusted Prepayment Amount for such Tax Parcel by (2) the Annual Debt Service Factor.
- (F) <u>COLLECTION COST COMPONENT</u>. The "Collection Cost Component" shall be computed each Fiscal Year for each Tax Parcel by (1) dividing (a) the Adjusted Prepayment Amount for such Tax Parcel by (b) the sum of the aggregate Adjusted Prepayment Amount, and (2) multiplying the result by the Collection Cost.
- (G) <u>STATUTORY DISCOUNT AMOUNT</u>. The "Statutory Discount Amount" shall be computed for each Tax Parcel as the amount by law as the maximum discount for early payment of ad valorem taxes and non-ad valorem assessments, such amount to be calculated by deducting (1) the sum of (a) the Annual Debt Service Component and (b) the Collection Cost Component, from (2) the amount computed by dividing (a) the sum of (i) the Annual Debt Service Component and (ii) the Collection Cost Component, by (b) 0.96.
- (H) <u>ASSESSMENT</u>. The annual Assessment for each Tax Parcel shall be computed as the sum of (1) the Annual Debt Service Component, (2) the Collection Cost Component and (3) the Statutory Discount Amount.
- (I) <u>REVISION OF ADJUSTED PREPAYMENT AMOUNT</u>. Upon issuance of the ad valorem tax bill for each Fiscal Year, the Adjusted Prepayment Amount for each Tax Parcel shall be

recomputed by deducting (1) the amount computed by (a) dividing (i) the principal component of the Debt Service Amount utilized to compute the Debt Service Component for the Assessment Roll by (ii) the total Debt Service Amount utilized to compute the Debt Service Component for the Assessment Roll and (b) multiplying the result by the Annual Debt Service Component included on the Assessment Roll for the Tax Parcel, from (2) the Adjusted Prepayment Amount utilized to compute the Annual Assessment included on the Assessment Roll for such Tax Parcel.

SECTION 3.05. INITIAL PREPAYMENT OPTION.

- (A) Following adoption of the Final Assessment Resolution, the Director shall provide first class mailed notice to the owner of each Tax Parcel subject to the Assessment of the owner's option to prepay all future annual Assessments. On or prior to the date specified in such notice (which shall not be earlier than the thirtieth calendar day following the date on which the notice is delivered to the possession of the U.S. Postal Service), the owner of each Tax Parcel subject to the Assessment shall be entitled to prepay the System Development Charge and be relieved of all future annual Assessments imposed to pay the System Development Charge. The Board, in its sole discretion, may elect to accept prepayments pursuant to this Section 3.05 on any date prior to execution of the Funding Agreement.
- (B) The amount of all prepayments made pursuant to this Section 3.05 shall be final. The Authority shall not be required to refund any portion of a prepayment if the actual Capital Cost of the Wastewater Improvements is less than the estimated Capital Cost upon which such the Initial Prepayment Amount was computed.

- (C) In the alternative to the provisions of Section 3.05(A) and (B), the Authority has also provided for and hereby ratifies and confirms the prepayment discounts as follows:
 - (1) System Development Charges for the Wastewater Improvements paid in full prior to April 30, 2002 shall be subject to ten (10) percent reduction per EDU (from \$4,700 to \$4,230 per EDU); or
 - (2) System Development Charges for the Wastewater Improvements paid in full between May 1 and July 31, 2002 shall be subject to a five (5) percent reduction per EDU (from \$4,700 to \$4,465 per EDU).

SECTION 3.06. ADDITIONAL PREPAYMENT OPTION.

- (A) Following the date specified in the notice provided pursuant to Section 3.05(A) hereof, or such later date as the Board may allow in its sole discretion, the owner of each Tax Parcel subject to the Assessments shall be entitled to prepay all future unpaid annual Assessments upon payment of an amount equal to the sum of (1) the Adjusted Prepayment Amount for such Tax Parcel, and (2) interest on the Adjusted Prepayment Amount, computed at a rate two full percentage points in excess of the rate on the Obligations, from the most recent date to which interest on the Obligations has been paid to the next date following such prepayment on which the Authority can redeem Obligations after providing all notices required to redeem all or any portion of the Obligations.
- (B) During any period commencing on the date the annual Assessment Roll is certified for collection pursuant to the Uniform Assessment Collection Act and ending on the next date on which unpaid ad valorem taxes become delinquent, the Authority may reduce the amount required to

prepay the future unpaid annual Assessments for the Tax Parcel by the amount of the Assessment that has been certified for collection with respect to such Tax Parcel.

(C) The amount of all prepayments made pursuant to this Section 3.06 shall be final. The Authority shall not be required to refund any portion of a prepayment if (1) the Capital Cost of the Wastewater Improvements is less than the amount upon which such Adjusted Prepayment Amount was computed, or (2) annual Assessments will not be imposed for the full number of years anticipated at the time of such prepayment.

SECTION 3.07. MANDATORY PREPAYMENT UPON SALE OR TRANSFER FOR VALUE.

- (A) If at any time a Tax Parcel subject to the Assessment is sold or otherwise is transferred for other than nominal consideration, the payment of the Assessment shall be accelerated, and the owner shall prepay all future unpaid annual Assessments for such Tax Parcel. Nominal consideration shall mean a transfer only requiring minimum documentary stamp taxes. The amount required to prepay the future unpaid annual Assessments will be equal to the sum of (1) the Adjusted Prepayment Amount for such Tax Parcel, and (2) interest on the Adjusted Prepayment Amount, computed at a rate one full percentage point in excess of the rate on the Obligations, from the most recent date to which interest on the Obligations has been paid to the next date following such prepayment on which the Authority can redeem Obligations after providing all notices required to redeem all or any portion of the Obligations.
- (B) During any period commencing on the date the annual Assessment Roll is certified for collection pursuant to the Uniform Assessment Collection Act and ending on the next date on

which unpaid ad valorem taxes become delinquent, the Authority may reduce the amount required to prepay the future unpaid annual Assessments for the Tax Parcel by the amount of the Assessment that has been certified for collection with respect to such Tax Parcel.

(C) The amount of all prepayments made pursuant to this Section 3.07 shall be final. The Authority shall not be required to refund any portion of a prepayment if (1) the Capital Cost of the Wastewater Improvements is less than the amount upon which such Adjusted Prepayment Amount was computed, or (2) annual Assessments will not be imposed for the full number of years anticipated at the time of such prepayment.

Little Venice Wastewater District Service Area, Wastewater Improvement

Dear Property Owner:

The Board of Directors is imposing system development charges to pay for a portion of the advanced wastewater treatment plant and vacuum collection system in the Little Venice Wastewater District Service Area; in the event such charges are not prepaid, the Board of Directors is considering imposition of non-ad valorem assessments within the Little Venice Wastewater District Service Area in order to partially fund the construction of such wastewater improvements. The system development charge or assessment for each improved parcel of property is based on the total number of EDUs as of the date the assessment is imposed. A more specific description of the assessment program is included in the Initial Assessment Resolution adopted by the Board of Directors on February 20, 2002. Copies of the Initial Assessment Resolution and the preliminary assessment roll are available for your review at the offices of the Executive Office, located at 1100 Kennedy Drive, Key West, Florida. Information regarding the assessment for your specific property, including the number of EDUs, is attached to this letter.

The Authority intends to issue obligations to finance this and other assessment projects. This will permit the cost attributable to your property to be amortized over a period of twenty (20) years. However, you may choose to prepay your system development charge (\$4,700 per EDU) and avoid the assessment and additional financing cost. If the assessments are imposed, you will receive a separate notice of the date and place for payment.

If you do not choose to prepay your system development charges, the amount necessary to pay your assessment in full will be increased by your share of the financing cost (financing costs, capitalized interest and reserve account). The Authority anticipates that financing cost will increase the prepayment amount by approximately ___ percent to \$___ per EDU.

The annual assessment will include your share of the principal, interest, and amounts related to collection of the assessments. The maximum annual assessment is estimated to be \$_____ per EDU. However, the actual annual assessment cannot be determined until the obligations are issued. The Authority intends to include annual assessments on your ad valorem tax bill with the first payment on the bill to be mailed in November 2002. Failure to pay your assessments will cause a tax certificate to be issued against the property which may result in a loss of title. As well, each assessment will be subject to mandatory prepayment of the balance due upon the transfer of title to your property.

The Board of Directors will hold a public hearing at 1 PM on March 27, 2002, in the FKAA Administration Building, 1100 Kennedy Drive, Key West, Florida, for the purpose of receiving comments on the proposed improvement area and the assessments, including collection on the ad valorem tax bill. You are invited to attend and participate in the public hearing or to file written objections with the Executive Director within 20 days of this notice.

If you decide to appeal any decision made by the Board of Directors with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the Executive Office 296-2454 at least seven days prior to the date of the hearing.

NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS IN THE LITTLE VENICE WASTEWATER DISTRICT SERVICE AREA

Notice is hereby given that the Florida Keys Aqueduct Authority will conduct a public hearing to consider the collection of System Development Charges within the Little Venice Wastewater District Service Area, all properties South of U.S. Highway 1 from 95th Street to Vaca Cut, City of Marathon, Monroe County, Florida, as shown above, through the imposition of non-ad valorem assessments for the construction of wastewater improvements (advanced wastewater treatment plant, transmission facilities and vacuum collection system). The hearing will be held at 1:00 PM on March 27, 2002, in Key Colony Beach, City Hall, 600 W. Ocean Drive, Key Colony Beach, Florida, for the purpose of receiving public comment on the proposed improvement area and assessments. All affected property owners have a right to appear at the hearing and to file written objections with the Board of Directors within 20 days of this notice. If a person decides to appeal any decision made by the Board of Directors with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the Environmental Services Department at (305) 296-5856 at least seven days prior to the date of the hearing.

The assessment for System Development Charges for each tax parcel will be based upon the total number of EDUs attributable to each improved tax parcel. A more specific description of the improvements and the method of computing the assessment for each parcel of property are set forth in the Initial Assessment Resolution adopted by the Board of Directors on February 20, 2002. Copies of the Initial Assessment Resolution and the preliminary Assessment Roll are available for inspection at the offices of the Executive Department, FKAA Administration Building, located at 1100 Kennedy Drive, Key West, Florida.

The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. If prepayment of the applicable System Development Charges is not made, the Board of Directors intends to collect the assessments in twenty (20) annual installments, the first of which will be included on the ad valorem tax bill to be mailed in November 2002.

If you have any questions, please contact the Environmental Services Department at (305) 296-5856.

ARTICLE II

NOTICE AND PUBLIC HEARING

SECTION 2.01. UPDATED ESTIMATED CAPITAL COST. total estimated cost of the Wastewater Improvements is \$13,976,000. Such cost has been partially offset by a grant from the United States Environmental Protection Agency in the amount of approximately \$4,326,000, a State of Florida appropriation of \$3,014,000, and a surety payment of \$3,033,000. The updated estimated Capital Cost for the Wastewater Improvements is \$3,439,000. The updated estimated Project Cost of the Wastewater Improvements is \$3,603,000. The Project Cost will be funded through the imposition of System Development Charges. To the extent such System Development Charges for affected lands within the expanded portion of the Little Venice Wastewater District Service Area are not paid in their entirety prior to July 31, 2003, Assessments shall be imposed against property located in the Assessment Area in the manner set forth in Article III hereof. To the extent such System Development Charges and Assessments do not fund all costs associated with the Wastewater Improvements, the Authority will make additional charges in the monthly service bill of each affected user or customer. The Project Cost is therefore only representative of that portion of any Obligations required to finance a System Development Charge of \$4,700 per EDU.

SECTION 2.02. ASSESSMENT ROLL. The Director is hereby directed to prepare an updated and expanded Assessment Roll reflective of the expansion of the Little Venice Wastewater District Service Area. The Assessment Roll is to include all those properties within the Little Venice Wastewater District Service Area, as expanded, as such Area is described in Section 3.01 of this Supplemental Initial Assessment Resolution. The Director shall apportion the Project Cost among the parcels of real property within the Assessment Area as reflected on the Tax Roll in conformity with Article III hereof. Such apportionment shall be based upon a System Development Charge for each Tax Parcel based upon \$4,700 per EDU. The estimate of Capital Cost and the Assessment Roll shall be maintained on file in the offices of the Director and open to public inspection. As provided in Article III hereof, an equivalent amount to any System Development Charge not timely prepaid shall be imposed against each improved Tax Parcel within the Assessment Area. The foregoing shall not be construed to require that the Assessment Roll be in printed form if the amount of the Assessment for each Tax Parcel can be determined by use of a computer terminal available to the public.

SECTION 2.03. PUBLIC HEARING. A public hearing will be conducted by the Board at Hawk's Cay Resort, on July 24, 2003, at 1:00 p.m., in the Osprey Room, 61 Hawk's Cay Blvd., Duck Key, Florida, to consider (A) confirmation of the expansion of the Little Venice Wastewater District Service Area, (B) imposition of the Assessments within the

Little Venice Wastewater District Service Area, as expanded, and (C) collection of the Assessments pursuant to the Uniform Assessment Collection Act.

SECTION 2.04. NOTICE BY PUBLICATION. Upon completion of the materials required by Section 2.02 hereof, the Director shall publish a notice of the public hearing authorized by Section 2.03 hereof in the manner and the time provided in Rule 48-103.004. Such notice shall be in substantially the form attached hereto as Appendix A.

SECTION 2.05. NOTICE BY MAIL. Upon completion of the materials required by Section 2.02 hereof, the Director shall, at the time and in the manner specified in Rule 48-103.005, provide first class mailed notice of the public hearing authorized by Section 2.03 hereof to each property owner within the expanded area of the Little Venice Wastewater District Service Area proposed to be assessed at the address indicated on the Tax Roll. Such notice shall be in substantially the form attached hereto as Appendix B.

The first annual Assessment for properties located within the expanded Little Venice Wastewater District

Service Area will be included on the ad valorem tax bill to be mailed in November 2003. When imposed, the Assessment for each Fiscal Year shall constitute a lien upon the Tax Parcels located in the Assessment Area, pursuant to Authority Rule 48-103.009.

SECTION 3.03. PREPAYMENT OPTION.

- (A) The Authority has also provided for and hereby ratifies and confirms the offer of a prepayment discount for all properties located within the expanded area of the Little Venice Wastewater District Service Area as follows:
- (1) System Development Charges for the Wastewater Improvements paid in full prior to July 31, 2003 shall be subject to ten (10) percent reduction per EDU (from \$4,700 to \$4,230 per EDU).
- (B) The Director is authorized and directed to provide notice of such prepayment discount in the notice by publication as required in Section 2.04 hereof and the notice by mail as required in Section 2.05 hereof.

SECTION 3.04. MANDATORY PREPAYMENT UPON SALE OR TRANSFER FOR VALUE.

(A) If at any time a Tax Parcel subject to the Assessment is sold or otherwise is transferred for other than nominal consideration, the payment of the Assessment shall be accelerated, and the owner shall prepay all future unpaid annual Assessments for such Tax Parcel. Nominal consideration shall mean a transfer only requiring minimum documentary stamp taxes. Provided, however, the Board of Directors of the Florida Keys Aqueduct

Authority may, in its sole discretion, waive such acceleration by resolution upon petition of the affected owner. The amount required to prepay the future unpaid annual Assessments will be equal to the sum of (1) the Adjusted Prepayment Amount for such Tax Parcel, and (2) interest on the Adjusted Prepayment Amount, computed at a rate one full percentage point in excess of the rate on the Obligations, from the most recent date to which interest on the Obligations has been paid to the next date following such prepayment on which the Authority can redeem Obligations after providing all notices required to redeem all or any portion of the Obligations.

- (B) During any period commencing on the date the annual Assessment Roll is certified for collection pursuant to the Uniform Assessment Collection Act and ending on the next date on which unpaid ad valorem taxes become delinquent, the Authority may reduce the amount required to prepay the future unpaid annual Assessments for the Tax Parcel by the amount of the Assessment that has been certified for collection with respect to such Tax Parcel.
- (C) The amount of all prepayments made pursuant to this Section 3.04 shall be final. The Authority shall not be required to refund any portion of a prepayment if (1) the Capital Cost of the Wastewater Improvements is less than the amount upon which such Adjusted Prepayment Amount was computed, or (2) annual Assessments will not be imposed for the full number of years anticipated at the time of such prepayment.

NOTICE OF HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS IN THE EXPANDED LITTLE VENICE WASTEWATER DISTRICT SERVICE AREA

Notice is hereby given that the Board of Directors of the Florida Keys Aqueduct Authority (the "Board") will conduct a public hearing to consider the collection of system development charges within the expanded area of the Little Venice Wastewater District Service Area, as described in FKAA Rule 48-307.004(20) through the imposition of non-ad valorem assessments for the construction of wastewater improvements (advanced wastewater treatment plant, transmission facilities and vacuum collection system). The hearing will be held at Hawk's Cay Resort, on July 24, 2003, at 1:00 p.m., in the Osprey Room, 61 Hawk's Cay Blvd., Duck Key, Florida, for the purpose of receiving public comment on the confirmation of the expanded improvement area and assessments. All affected property owners have a right to appear at the hearing and to file written objections with the Board within 20 days of this notice. If a person decides to appeal any decision made by the Board with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with

Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the Executive Office at (305) 296-2454 at least seven days prior to the date of the hearing.

The assessment for each parcel of property will be based upon the total number of equivalent dwelling units ("EDUs") on each improved tax parcel on the date the assessment is imposed. A more specific description of the improvements and the method of computing the assessment for each parcel of property are set forth in the Initial Assessment Resolution, Final Assessment Resolution, as amended, and Supplemental Initial Assessment Resolution adopted by the Board of Directors on June 26, 2003. Copies of the foregoing resolutions and the preliminary Assessment Roll are available for inspection at the office of the FKAA Administration Building, located at 1100 Kennedy Drive, Key West, Florida.

The assessments will appear on the ad valorem tax bill and be collected by the Monroe County Tax Collector, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. Failing prepayment of the applicable system development charges, the Board intends to collect the assessments in twenty (20) annual installments, the first of which will be included on the ad valorem tax bill to be mailed in November 2003.

Affected property owners may choose to prepay the system development charge (\$4,700 per EDU) and avoid the annual assessment and additional financing cost. In

Supplemental Initial Assessment Resolution

addition, any system development charges paid in full prior to July 31, 2003 shall be subject to a ten percent (10%) reduction per EDU (from \$4,700 to \$4,230 per EDU).

If you have any questions, please contact the Executive Office at (305) 296-2454.

Re: Parcel Number [Insert Number]

Little Venice Wastewater District Service Area, Wastewater Improvement

Dear Property Owner:

The Board of Directors of the Florida Keys Aqueduct Authority (the "Board") is imposing system development charges to pay for a portion of the advanced wastewater treatment plant and vacuum collection system in the expanded Little Venice Wastewater District Service Area; in the event such charges are not prepaid, the Board is considering imposition of non-ad valorem assessments within the expanded Little Venice Wastewater District Service Area in order to partially fund the construction of such wastewater improvements. The system development charge or assessment for each improved parcel of property is based on the total number of equivalent dwelling units ("EDUs") as of the date the assessment is imposed. A more specific description of the assessment program is included in the Initial Assessment Resolution, Final Assessment Resolution, as amended, and Supplemental Initial Assessment Resolution adopted by the Board on June 26, 2003. Copies of the foregoing resolutions and the preliminary assessment roll are available for your review at the offices of the Executive Office, located at 1100 Kennedy Drive, Key West, Florida. Information regarding the assessment for your specific property, including the number of EDUs, is attached to this letter.

The estimated project cost of the wastewater improvements is \$3,603,000, which the Board will collect through the imposition of system development charges. If a system development charge for an affected property is not paid in its entirety prior to July 31, 2003, a non-ad valorem assessment will be imposed pursuant to Section 197.3632, Florida Statutes, and Chapter 48-103 of the FKAA Rules. This will permit the cost attributable to your property to be amortized over a period of twenty (20) years. However, you may choose to prepay your system development charge (\$4,700 per EDU) and avoid the assessment and additional financing cost. In addition, any system development charges paid in full prior to

July 31, 2003 shall be subject to a ten (10) percent reduction per EDU (from \$4,700 to \$4,230 per EDU).

If you do not choose to prepay your system development charges, the amount necessary to pay your assessment in full will be increased by your share of the financing cost (e.g. financing costs, capitalized interest and reserve account).

The annual assessment will include your share of the principal, interest, and amounts related to collection of the assessments. The maximum annual assessment is estimated to be \$476.69 per EDU. The Authority intends to include annual assessments on your ad valorem tax bill with the first payment on the bill to be mailed in November 2003. Florida Statutes provide that failure to pay assessments will cause a tax certificate to be issued against the property which may result in a loss of title. As well, each assessment will be subject to mandatory prepayment of the balance due upon the transfer of title to your property.

The Board will hold a public hearing at Hawk's Cay Resort, on July 24, 2003, at 1:00 p.m., in the Osprey Room, 61 Hawk's Cay Blvd., Duck Key, Florida, for the purpose of receiving comments on the proposed improvement area and the assessments, including collection on the ad valorem tax bill. All affected property owners have a right to attend and participate in the public hearing and to file written objections with the Executive Director within 20 days of this notice.

If you decide to appeal any decision made by the Board with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the Executive Office (305) 296-2454 at least seven days prior to the date of the hearing.

- The initial System Development Charge for the Little Venice Wastewater District Service Area shall be determined per EDU; and shall be \$4,700.00 per calculated EDU. Provided, however, each User or Customer shall also be responsible for any additional capital costs in excess of \$4,700.00 per EDU necessary to provide Wastewater Facilities within the Little Venice wastewater district service area. In calculating or determining the number of EDUs attributable to a parcel, the Authority shall allocate a minimum of one (1) EDU to each improved parcel of property to which the Property Appraiser has assigned a distinct ad valorem property tax identification number, or a minimum of one (1) EDU to each Dwelling Unit. For residentially improved parcels of property, a minimum of one (1) EDU shall be allocated to a single-family residential dwelling, a minimum of one (1) EDU shall be allocated to a single condominium, a minimum of one (1) EDU shall be allocated to a mobile home; and the number of EDUs allocable to multifamily structure shall be determined by the total number of Dwelling Units located thereon. For non-residential improved parcels of property the EDU determination above the minimum of one (1) shall be determined by taking the average day water flow of the three (3) highest consecutive months during a consecutive twenty-four (24) month period and calculating the number of EDUs above one (1) to the nearest tenth (i.e. 1.3, 2.4, 6.7,

- etc. For example: 458 gallons per average day water flow divided by 167 gallons per EDU equals 2.7 EDUs). EDUs for mixed-use improved parcels of property shall be determined and calculated to be a non-residential improved parcel in the absence of separate water meters.
- (c) The initial collection of System Development Charges for the Little Venice Wastewater District Service Area are expected to occur through the imposition of a non ad-valorem assessment. The amount of the actual costs of providing Wastewater capital improvements exceeding \$4,700.00 per EDU within the Little Venice Wastewater District Service Area, will be imposed as an additional charge by the Authority to recover such additional capital costs on each User's or Customers monthly service bill; said charge shall be in addition to the foregoing non ad-valorem assessment.
- (d) Upon completion of the Wastewater System Facilities serving the Little Venice Wastewater District Service Area, the System Development Charge shall include an amount equivalent to the non ad-valorem assessment and the additional costs of providing Wastewater capital improvements which exceed \$4,700.00 per EDU. Any additional capital costs in excess of \$4,700.00 per EDU necessary to provide Wastewater Facilities in the Little Venice Wastewater District Service Area shall be determined by subsequent rule and will be collected on each User's or Customer's monthly service bill.
- (e) After the initial construction of the system, the SDC shall be based on the total number of Fixture Values to be served at a Premise, as follows:

Fee for each Fixture Value: \$123.00

48-307.020 LITTLE VENICE WASTEWATER NON-AD VALOREM ASSESSMENT

- (1) Pursuant to Chapter 48-103, the Authority shall initiate and impose an Assessment within the Little Venice wastewater district service area in an amount of \$4,700.00 per calculated EDU.
- (2) Any additional capital costs in excess of \$4,700.00 per EDU necessary to provide Wastewater facilities within the Little Venice wastewater district service area shall be determined by subsequent rule.
- (3) Upon payment of the Assessment and any additional capital costs in excess of \$4,700.00 per EDU necessary to provide Wastewater facilities within the Little Venice wastewater district service area, the System Development Charge per EDU shall be deemed paid in full.
