INTERLOCAL AGREEMENT

THIS INTERLOCAL AGREEMENT is entered into by and between the Florida Keys Aqueduct Authority (the “FKAA”), an independent special district existing as a public agency under the laws of the State of Florida, and the City of Marathon, Florida (the “City”), a Florida municipal corporation.

WHEREAS, the FKAA was recreated in 1976 by the Legislature of the State of Florida, Chapter 76-441 Laws of Florida, said law having been amended from time to time, for purposes of obtaining, supplying and distributing an adequate supply of water to the Florida Keys and to purchase, construct, acquire, operate, manage and control wastewater systems; and

WHEREAS, the City was formed in 1999 by the Legislature of the State of Florida pursuant to Chapter 99-427 Laws of Florida; and

WHEREAS, the CITY and the FKAA are authorized to enter into this Agreement pursuant to Section 163.01, Florida Statutes, as amended, which permits local government units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage; and

WHEREAS, the City and the FKAA recognize that fire flow improvements will better ensure the protection of the public health, welfare and safety; and

WHEREAS, the FKAA has qualified staff to design, prepare Request for Proposals and oversee the construction and installation of fire hydrants for the City, and

WHEREAS, the City has funding available to construct additional fire hydrants, and

WHEREAS, the parties have the legal authority to enter into this Agreement and to implement its provisions;

NOW, THEREFORE, in consideration of the mutual covenants, representations and promises set forth in this Agreement and for other good and valuable consideration each to the other, receipt of which is hereby acknowledged by each party, the FKAA and the City hereby agree, stipulate, and covenant as follows:

ARTICLE I
DEFINITIONS

SECTION 1.01 WORDS AND TERMS. Words and terms used herein shall have the meanings set forth below:

“Agreement” means this Interlocal Agreement.

“FKAA” means the Florida Keys Aqueduct Authority.

“Authorized Representative” means the official of the FKAA or the City authorized by ordinance or resolution to sign documents of the nature identified in this Agreement.

“City” means the City of Marathon, Florida.

“Project” means the design and installation of fire hydrants in the City of Marathon.

SECTION 1.02 CORRELATIVE WORDS. Words of the masculine gender shall be understood to include correlative words of the feminine and neuter genders. Unless the context shall otherwise indicate, the singular shall include the plural and the word “person” shall include corporations and associations, including public bodies, as well as natural persons.

ARTICLE II
INTERLOCAL AGREEMENT

SECTION 2.01 PURPOSE OF INTERLOCAL AGREEMENT. The purpose of this Agreement is to establish procedures whereby the FKAA utilizes its staff to design, award and oversee the construction and installation of fire hydrants for the City, which shall, in turn, provide the necessary funding for the Project.

SECTION 2.02 TERM OF INTERLOCAL AGREEMENT. The term of this Agreement shall be for a period of one (1) year (the “Term”), or until such time as the Project, as defined in the Scope of Work, has reached final completion.

SECTION 2.03 TERMINATION.

(1) Either party may terminate this Agreement without cause upon thirty (30) day written notice to the other party. Upon notice by the City of intent to terminate the agreement, the FKAA shall not initiate any additional fire hydrants installations. However the cancellation

of this Agreement shall not affect the responsibility of the City for payment of outstanding invoices or the completion of any work in progress.

SECTION 2.04 SCOPE OF WORK. The FKAA will perform the following services for the City:

(1) The FKAA will prepare engineered drawings, prepare and publish an Invitation to Bid for the construction and installation of fire hydrants, will award a contract after receipt of bids and authorization from the City to proceed with the Project, and will provide the inspection and construction management services for the Project. Prior to the preparation of drawings and the Invitation to Bid, the City shall provide to the FKAA the exact number and location of the fire hydrants to be included in this Project. Prior to entering into a contract for the construction and installation of the fire hydrants, the FKAA shall present the Project budget to the City on a timely basis for approval by the City Manager or the City Council, as may be required by the City's purchasing policies.

(2) The parties hereto acknowledge that the Invitation to Bid described above may also include fire hydrants to be installed in the City of Key Colony Beach ("KCB") pursuant to a separate interlocal agreement between KCB and the FKAA. In such an instance, KCB, and not the City, would be responsible for providing the funding to the FKAA for any hydrants installed in KCB.

SECTION 2.05 CHARGES FOR SERVICE. The City will provide the funding for the Project, which shall include an administration fee of five (5) percent to be paid to the FKAA for its services. The exact budget for the Project will be determined at the time the City approves the contract pursuant to Section 2.04(1) above.

ARTICLE III

(2) The FKAA currently is not the subject of bankruptcy, insolvency, or reorganization proceedings and is not in default of, or otherwise subject to, any agreement or any law, administrative regulation, judgment, decree, note, resolution, charter or ordinance which would currently restrain or enjoin it from entering into, or complying with, this Agreement.

(3) There is no material action, suit, proceeding, inquiry or investigation, at law or in equity, before any court or public body, pending or, to the best of the FKAA's knowledge, threatened, which seeks to restrain or enjoin the FKAA from entering into or complying with this Agreement.

SECTION 3.02 BY CITY. The City warrants, represents, and covenants that:

(1) The City has full power and FKAA to enter into this Agreement and to comply with the provisions hereof.

(2) The City currently is not the subject of bankruptcy, insolvency, or reorganization proceedings and is not in default of, or otherwise subject to, any agreement or any law, administrative regulation, judgment, decree, note, resolution, charter or ordinance which would currently restrain or enjoin it from entering into, or complying with, this Agreement.

(3) There is no material action, suit, proceeding, inquiry or investigation, at law or in equity, before any court or public body, pending or, to the best of the City's knowledge, threatened, which seeks to restrain or enjoin the City from entering into or complying with this Agreement.

(4) The City Council has budgeted adequate funds in Fiscal Year 2007-2008 to fund the Project and has full legal authority to budget additional funds if necessary.

ARTICLE IV

INSURANCE AND HOLD HARMLESS

Chapter 440, as well as any and all claims within the limitations of Florida Statutes Section 768.28 and Chapter 440, arising out of the activities governed by this agreement.

SECTION 4.02 To the extent allowed by law, each party shall be responsible for any acts, or omissions, of negligence on the part of its employees, agents, contractors and subcontractors and shall defend, indemnify and hold the other party, its officers and employees, agents and contractors, harmless from all claims demands, causes of action, losses, costs and expenses of whatever type – including investigation and witness costs and expenses and attorneys’ fees and costs – that arise out of or are attributable to arising out of such actions or omissions. The purchase of the insurance does not release or vitiate either party’s obligations under this paragraph.

remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The FKAA and City agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

SECTION 5.04 ATTORNEY'S FEES AND COSTS. The FKAA and City agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees, court costs, investigative, and out-of-pocket expenses, as an award against the non-prevailing party, and shall include attorney's fees, court costs, investigative, and out-of-pocket expenses in appellate proceedings.
