WHEREAS, the City Council of the City of Marathon, Florida, has enacted Article IV of Chapter 24 of the Marathon City Code (the "Code"), to provide for the creation of assessment areas and authorize the imposition of special assessments to fund the construction of local improvements to serve the property located therein; and

WHEREAS, on June 9, 2009, the Council adopted Resolution No. 2009-66, the Initial Assessment Resolution, proposing creation of the Assessment Area and describing the method of assessing the cost of Wastewater Collection and Treatment Facilities against the real property that will be specially benefited thereby, and directing preparation of the tentative Assessment Roll and provision of the notices required by the Code; and

WHEREAS, pursuant to the provisions of the Code, the City is required to confirm or repeal the Initial Assessment Resolution, with such amendments as the Council deems appropriate, after hearing comments and receiving objections of all interested parties; and

WHEREAS, the Assessment Roll has heretofore been filed with the office of the City Manager, as required by the Ordinance; and

WHEREAS, a public hearing was held on July 14, 2009 and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MARATHON, FLORIDA, AS FOLLOWS:

SECTION 3. CREATION OF ASSESSMENT AREA. The Assessment Area is hereby created to include the property in Service Area 1, Service Area 2, Service Area 3, Service Area 5 and Service Area 7, as described in Appendix D attached hereto and incorporated herein. Unless prepaid, the annual assessment will include your share of the principal, interest and collection cost. The maximum annual assessment is estimated to be \$415 per EDU and \$93 per Connection. The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. ******* THIS IS NOT A BILL *******

Dear Property Owner:

An assessment area is being created to provide wastewater collection and treatment service to your property through the City of Marathon, Utilities Department. Wastewater collection and treatment facilities will be constructed to provide these services. The cost of these facilities will be funded by assessments against the property to be served. Each residential property will be assigned one equivalent dwelling unit (EDU); other types of properties will be assigned EDUs based upon their expected wastewater production as compared to a single family dwelling unit. Additionally, each property will be assigned an expected number of Connections, based upon the current number of water connections to that property. The assessment for each parcel of property is based, in part on the number of EDUs, and, in part, on the number of Connections attributable to the property. A more specific description of the assessment program is set forth in the Initial Assessment Resolution adopted by the City Council on June 9, 2009. Copies of the Initial Assessment Resolution, the plans and specifications for the wastewater collection and treatment facilities, and the preliminary Assessment Roll are available for your review at the offices of the City Manager and the Public Works Division, both located at 9805 Overseas Highway, Marathon, Florida. Information regarding the assessment for your specific property, including the number of EDUs and connections, is included in this letter.

The City intends to internally finance this assessment project initially and then issue bonds or secure a long-term loan to finance this assessment project. This will permit the cost attributable to your property to be amortized over a period of not to exceed twenty (20) years. However, you may choose to prepay your assessment in full (\$4,681 per EDU and \$1,049 per Connection) and avoid the additional financing cost. Please do not send payment now. If the assessments are imposed, you will receive a separate notice of the date and place for payment.

If you do not choose to prepay during the period described in the next notice, the amount necessary to pay your assessment in full will be increased by your share of the financing cost (capitalized interest and administrative costs). The City anticipates that financing costs will increase the prepayment amount by approximately 13.5 percent to \$5,318 per EDU and \$1,191 per Connection.

The annual assessment will include your share of the principal, interest and collection cost. The maximum annual assessment is estimated to be \$415 per EDU and \$93 per Connection. The total annual assessment revenue to be collected within the City of Marathon for the Fiscal Year beginning on October 1, 2009, is estimated to be \$4,350,000. The City intends to include annual assessments on your ad valorem tax bill. Failure to pay your assessments will cause a tax certificate to be issued against the property which may result in a loss of title.

The City Council will hold a public hearing at 5:30 p.m., or as soon thereafter as the matter can be heard, on July 14, 2009, at the Marathon Government Center, 2798 Overseas Highway, Marathon, Florida, for the purpose of receiving comments on the proposed assessments, including collection on the ad valorem tax bill. You are invited to attend and participate in the public hearing or to file written objections with the City prior to or during the hearing. If you decide to appeal any decision made by the City Council with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you are a person with a disability who needs any accommodation or an interpreter to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the City at (305) 289-5020.

Questions regarding your assessment and the process for collection may be directed to Community Services at (305)289-4104 or (305) 289-4115.

RE: Wastewater Service Areas 1, 2, 3, 5 and 7_Assessment Area

The City Council of the City of Marathon, Florida (the "City"), recently established and approved a special assessment against property within Service Areas 1, 2, 3, 5 and 7 of the City (the "Assessment Area") to fund the construction of wastewater collection and treatment facilities to provide your property with wastewater collection services. This type of financing where the property owners participate in the cost of the program is used throughout Florida and is consistent with the policy of the City.

The assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. The assessments will be payable in not to exceed twenty (20) annual installments, the first of which shall be included on the ad valorem tax bill to be mailed in November, 2009. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title.

The City has initially financed this project with a combination of loans, but will be pursuing long-term, permanent financing. This will permit the cost attributable to your property to be amortized over a period of not to exceed twenty (20) years. However, you may choose to prepay your assessment in full at any time to avoid additional interest. The amount required to prepay the assessment on or prior to September 1, 2009 is {insert amount}.

increased to include additional interest on the permanent financing.
