NOW, THEREFORE, in consideration of the mutual promises and undertakings contained herein, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as Follows:

IV. Statutory and Code Requirements.

The Parties recognize the binding effect of the Florida Local Government Development Agreement Act, Sections 163.3221, et seq., Florida Statutes, as to the form and content of this Agreement and in accordance therewith set forth and agree to the following:

A. Legal Description and Ownership.

Holiday Inn Express and Suites is the Owner of the Property identified by Real Estate Number 00100260-000100 and holds a contract for sale of the Property identified by Real Estate Number 00100260-000102, which Property is the subject of this Agreement, as described in Exhibit A, Improvement Location and Boundary Survey. At time of development, there will be no other legal or equitable owners of the subject property known to the parties to this Agreement.

B. Duration of Agreement.

The Owner shall have a period of two (2) years from the Effective Date of this Agreement to obtain the first building permit and five (5) years from the Effective Date of this Agreement to obtain all Certificates of Occupancy and/or Final Inspections for structures on the Property as shown on the Site Plan. However, should the Owner request and subsequently obtain Transient Residential Units (TRUs) through the City of Marathon BPAS allocation process, the project will be required to provide complete building construction plans within six (6) months of the effective date of the agreement granting TRUs to the Owner, be issued a building permit within nine (9) months of the effective date of the agreement granting TRUs to the Owner, be under construction within ninety (90) days of the issuance of a permit by the City, and be completed within eighteen (18) months of commencement of construction. If within nine (9) months of the effective date of the agreement granting TRUs the Owner has not obtained a valid building permit to construct the entire project, the City's TRUs shall be forfeited back to the City, unless the City approves the banking of the allocation beyond the applicable time period.

This Agreement may be renewed or extended as provided herein. If the Owner has not complied with the terms of this section, this Agreement may be subject to termination as provided herein.

C. Permitted Uses.

1. The Development permitted on the Property shall consist of those uses set forth herein, as identified on the conceptual site plan attached hereto as Exhibit B, and incorporated herein by reference. The permitted uses are as follows:

In the event that all or a portion of the existing or authorized development subject to this Agreement should be destroyed by storm, fire or other disaster, the Owner, its grantees, successors, or assigns shall have the absolute right to rebuild or repair the affected structure(s) and reinstate the prior approved use so long as such development is in compliance with this Agreement.

6. Recreational Facilities. The Property includes onsite recreational facilities for visitors and guests of the property. Therefore, redevelopment of the property will have no impact on public recreation facilities.

7. Stormwater. A Stormwater Management System which meets all applicable local, state and federal requirements shall be constructed onsite as part of the Site Redevelopment. This system will retain, detain, and treat Stormwater on the Property and therefore will provide a substantial benefit to water quality in the area. There shall be no direct discharge to the City of Marathon Nearshore Waters.

8. Any increased impacts on Public Facilities or Public Services attributable to each unit of the development, and the cost of capital improvement to meet the associated increased demand on such facilities or services, shall be assured by payment to the City, concurrent with the issuance of the building permits for each unit, of any City of Marathon Impact Fees required by the ordinance then in effect, as well as by payment by owner of any applicable utility system Development Fees. In addition, Owner agrees to be subject to any reasonable impact fee

ordinance adopted by the City within twenty-four (24) months after the Effective Date of the Agreement, providing such ordinance applies equally and uniformly to all redevelopment in Marathon.

Such reservations or rededications may include, by way of example, easements necessary for the provision of stormwater, utility, and wastewater services to the Property.

I. Mutual Cooperation.

City and Owner agree to cooperate fully and assist each other in the performance of the provisions of this Agreement.

J. Development to Comply with Permits and City Comprehensive Plan and Code Provisions.

The redevelopment shall be developed in accordance with all required permits and in accordance with all applicable provisions of the City's Comprehensive Plan and Land Development Regulations in effect on the effective date of this Agreement. No Certificate of Occupancy for an individual building shall be issued until all plans for that building are approved by the City and Owner has complied with all conditions in permits issued by the City and the other regulatory entities for that building. The City agrees that any permits or certificates of occupancy to be issued by the City shall not be unreasonably withheld or delayed.

K. Compliance With Permit, Terms, Conditions, and Restrictions Not Identified Herein.

The failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve Owner of the necessity of complying with the law governing said permitting requirements, conditions, terms, or restrictions.

L. Laws Governing.

1. For the duration of this Agreement, all approved development of the Property shall comply with and be controlled by this Agreement and provisions of the City's Comprehensive Plan and City Code in effect on the date of execution of this Agreement, inclusive of text changes and rezoning approved by the City Council on the date of the City's approval of this Agreement, if any. The parties do not anticipate that the City will apply subsequently adopted laws and policies to the Property, except as expressly provided in this Agreement.

2. Pursuant to Section 163.3233, Florida Statutes, the City may apply subsequently adopted

- ii. The new laws and policies are essential to the public health, safety, or welfare, and the City expressly states that they shall apply to the development that is subject to this Agreement;
- iii. The City demonstrates that substantial changes have occurred in pertinent conditions existing at the time of approval of this Agreement; or
- iv. The Agreement is based on substantially inaccurate information supplied by Owner.

Provided, however, nothing in this Agreement shall prohibit the parties from mutually agreeing to apply subsequently adopted laws to the Property.

3. If state or federal laws enacted after the Effective Date of this Agreement preclude any party's compliance with the terms of this Agreement, it shall be modified as necessary to comply with the relevant state or Federal laws. However, this Agreement shall not be construed to waive or abrogate any rights that may vest pursuant to common law.

M. Amendment, Renewal and Termination.

This Agreement may be amended, renewed, or terminated as follows:

2. As provided in Section 163.3237, Florida Statutes, this Agreement may be renewed by the mutual consent of the parties, subject to the public hearing requirement in Section 163.3225, Florida Statutes, and applicable LDRs. The City shall conduct at least two (2) public hearings, one of which may be held by the local planning agency at the option of the City. Notice of intent to consider renewal of the Agreement shall be advertised approximately fifteen (15) days before each public hearing in a newspaper of general circulation and readership in Marathon, and shall be mailed to all affected property owners before the first public hearing. The day, time, and place at which the second public hearing will be held shall be announced at the first public hearing. The notice shall specify the location of the land subject to the Agreement, the development uses on the Property, the population densities, and the building intensities and height and shall specify a place where a copy of the Agreement can be obtained.

3. This Agreement may be terminated by Owner or its successor(s) in interest following a breach of this Agreement by the City upon written notice to the City as provided in this Agreement.

4. Pursuant to Section 163.3235, Florida Statutes, this Agreement may be revoked or modified by the City if, on the basis of substantial competent evidence, the City finds there has been a failure by Owner to comply with the terms of this Agreement.

5. This Agreement may be terminated by mutual consent of the parties.

The following events shall be considered a material breach of this Agreement:

- (i) Failure to comply with the provisions of this Agreement;

4. Notwithstanding any other provisions of this Development Agreement to the contrary, neither party hereto shall be deemed to be in default under this Development Agreement where delay in the construction or performance of the obligations imposed by this Development Agreement are caused by war, revolution, labor strikes, lockouts, riots, floods, earthquakes, fires, casualties, acts of God, governmental restrictions, embargoes, litigation (excluding litigation between the City and the Owner), tornadoes, hurricanes, tropical storms or other severe weather events, or any other causes beyond the control of such party.
