**SECTION 00500
AGREEMENT BETWEEN
THE CITY OF MARATHON
AND
TLC DIVERSIFIED, INC.
For**

Wastewater Treatment Plant Generator Platform Upgrades

THIS AGREEMENT is made between the City of Marathon, Florida, a Florida municipal corporation whose address and principal place of business is 9805 Overseas Highway, Marathon, Florida 33050, (hereinafter the "City") and TLC Diversified, Inc. a Florida corporation whose address and principal place of business is: 2719 17th Street, East; Palmetto, FL 34221, (hereinafter the "Contractor"), and

WHEREAS, the City desires to engage the Contractor to provide construction services as specified below (the "Work").

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the Contractor and the City agree as follows.

1. **Scope of Services/Deliverables.**

- (a) The Contractor shall provide the Work at the unit prices of specified in **Exhibit "A", Wastewater Treatment Plant Generator Platform Upgrades, Areas 5, 5 Remote, 6**; attached to this Agreement, and made a part hereof by this reference. Contractor shall be responsible for supplying all apparatus, equipment, labor, materials, means of transport, services and tools incidental or necessary to complete the Work as described in the Bid Documents.

2. **Term/Commencement Date and Liquidated Damages.**

- (a) Unless specified otherwise in **Exhibit "A"** the Contractor shall not commence work until the City issues Contractor a written Notice to Proceed and the Work shall be substantially completed within **(90)** calendar days after the date specified in the Notice to Proceed ("Substantial Completion"), and fully completed and ready for final payment in accordance with the Agreement Documents within **(120)** calendar days after the date specified in the Notice to Proceed ("Final Completion"). The City Manager may extend the term of this Agreement up to an additional fifteen (15) days at his sole discretion based upon the recommendation of the City's Community Services Director, City Engineer or Utilities Director.
- (b) Contractor agrees that time is of the essence and Contractor shall complete each deliverable for the Work within the timeframes set forth in **Exhibit "A"**, unless extended by the City Manager. The City shall issue a written notice identifying the date the Work is deemed fully complete which shall be the Final Completion date.

- (c) City and Contractor recognize that time is of the essence in this Contract and that the City will suffer financial loss if the Work is not completed within the contract times specified herein, plus any approved extensions thereof allowed by the City. The Contractor also recognizes that the damages which the City will incur if the Work is not substantially completed on time and/or fully completed on time are not readily ascertainable at the time this Agreement is entered into, and the Contractor recognizes the difficulties involved in proving the actual loss suffered by City if the Work is not substantially completed on time and/or fully completed on time. Accordingly, instead of requiring any such proof, City and Contractor agree that as liquidated damages to compensate the City, and not as a penalty for delay or as an incentive to complete on time, Contractor shall pay City **(\$250.00)** for each calendar day that expires after the time specified for Substantial Completion of the Work. After Substantial Completion, if Contractor fails to fully complete the Work within the time specified for Final Completion and readiness for final payment or any proper extension thereof granted by City, Contractor shall pay City **(\$100.00)** for each calendar day that expires after the time specified for Final Completion and readiness for final payment. Contractor agrees that the liquidated damage amounts specified herein bear a reasonable relationship to the actual damages to be suffered due to public inconvenience and damage to the City's reputation if the Contractor fails to substantially complete and/or fully complete the Work on time. The liquidated damages are not in compensation for any other damages, and expressly exclude damages for completion contractor expenses, lost/unrealized revenue, financing costs, professional services, attorney fees, and/or additional City staffing that may be incurred if the Work is not substantially completed on time and/or fully completed on time. All liquidated damages amounts will continue to be charged if the Contractor abandons the Work, or is terminated, and the Work is completed by another party.
- (d) Should the Substantial Completion and/or Final Completion and acceptance of Work, together with any modification or additions, be delayed beyond the time for performance set above because of lack of performance by the Contractor, it is understood and agreed that aside from any liquidated damages, the Contractor shall be liable to the City for all actual additional costs and/or losses incurred by the City including, but not limited to, completion contractor expenses, lost/unrealized revenue, financing costs, professional services, attorney fees, and/or additional City staffing that incurred because the Work was not substantially completed on time and/or fully completed on time.
- (e) Monies due to the City for liquidated damages and/or actual damages shall be deducted from any monies due the Contractor, or if no money is due or the amount due is insufficient to cover the amount charged, the Contractor shall be liable for said amount.

3.

Compensation and Payment.

- (a) For the purpose of developing the values to be paid on a monthly basis, Contractor shall submit a Schedule of Values to be reviewed and approved by the City at least thirty (30) days before the first progress payment request. This Schedule of Values shall constitute the values of each unit within each category that will be paid for the Work (see, Application for Payment, Instructions "General Information").
- (b) The Contractor shall invoice the City on a monthly basis. All invoices shall provide a detailed statement of the Work performed by Contractor for the period of time covered by the invoice. Contractor shall use the form attached hereto as **Exhibit "B,"** or such other form as may be provided by City from time to time, which is to be used by Contractor in requesting progress or final payments and which is to include such supporting documentation as is required by the Agreement Documents. The City will withhold 10% of each Pay Application as retainage which shall be paid upon Final Completion of the Work.
- (c) Each application for partial payment shall include partial lien/bond releases from all subcontractors and suppliers and a sworn statement by Contractor that partial payments received from City for the Work have been applied by Contractor to discharge in full all of Contractor's obligations, including payments to subcontractors and suppliers, stated in prior applications for payment. If payment has been withheld from a subcontractor and/or supplier the sworn statement shall state the reasons for the nonpayment. All partial payment requests shall be accompanied by consents of surety for each subcontractor and supplier.
- (d) The final application for payment shall be accompanied by all documentation called for in the Agreement Documents, together with complete and legally effective releases and/or waivers (satisfactory to City) of all liens and claims arising out of or in connection with the Work and consent of the surety, if any, to final payment. If any subcontractor or supplier fails to furnish a sub-tier release, Contractor shall provide the City with a sworn written explanation for why the subcontractor or supplier has not been paid. The City may require the Contractor to provide security to ensure all disputed and/or undisputed amounts owed are paid; or withhold the disputed and/or undisputed amounts owed from the final payment until such time as the final releases and consents of surety for each subcontractor and supplier.
- (e) The City shall pay Contractor in accordance with the Florida Prompt Payment Act. When the Contractor believes the Work is substantially complete, the Contractor shall notify the City and within 15 calendar days the parties shall create and review a single draft punch list of items to be completed in order for the Work to be fully complete. The City shall review the draft punch list and within 5 days of being provided with the draft punch list, the City shall provide the Contractor with the Final Punch list of work to be completed for the Work to be deemed fully complete.
- (f) If a dispute should occur regarding an invoice submitted, the City Manager may withhold payment of the disputed amount and may pay to the Contractor the

undisputed portion of the invoice. Upon written request of the Finance Director, the Contractor shall provide written documentation to justify the invoice. Any compensation disputes shall be decided by the City Manager whose decision shall be final.

- (g) All payments shall only be from appropriations budgeted on an annual basis.

4. **Subcontractors.**

- (a) The Contractor shall be responsible for all payments to any subcontractors and shall maintain responsibility for all work related to the Work.
- (b) Any subcontractors used on the Work must have the prior written approval of the City Manager and be properly licensed and insured in the same amounts as the Contractor.

5. **City's Responsibilities.**

- (a) Upon request, if available, the City shall furnish maps, plans, studies, reports and other information regarding anticipated field conditions readily available and in the City's possession.
- (b) The City shall arrange for access to and make all provisions for Contractor to enter upon real property as required for Contractor to inspect the site and perform the Work as may be requested in writing by the Contractor.

6. **Contractor's Responsibilities.**

- (a) Contractor shall exercise the same degree of care, skill and diligence in the performance of the Work as is ordinarily provided by a professional under similar circumstances. If at any time during the term of this Agreement or within one year from the completion of the Work, it is determined that the Contractor's deliverables are incorrect, defective or fail to conform to the Scope of Work or perform as intended, upon written notification from the City Manager, the Contractor shall at Contractor's sole expense, immediately correct the Work.
- (b) Contractor and its subcontractors shall comply with all applicable laws and regulations relating to the safety of persons or property, or to the protection of persons or property from damage, injury, or loss; and shall develop and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent public and private property and of underground facilities and other utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, and replacement of their property. All damage, injury, or loss to any property caused, directly or indirectly, in whole or in part, by Contractor, any Subcontractor, Supplier, or any other individual or entity directly or indirectly employed by any of them to perform any of the Work, or anyone for whose acts any of them may be liable, shall be immediately remedied by Contractor.

Contractor's duties and responsibilities for safety and for protection of the Work shall continue until such time as all the Work is completed and the City has made final payment to Contractor.

- (c) On a daily basis during the course of the Work, Contractor shall maintain the site free of debris and dust so as to minimize any inconvenience to surrounding properties. Upon completion of the Work, Contractor shall remove all apparatus, debris, equipment, materials, and tools created or used to construct the Work, and except for the Work or as otherwise directed by the City return the site in the same condition as at the beginning of the Work.
- (d) If the Work will create any obstructions, road closures or traffic impacts, Contractor shall provide the City and surrounding property owners with no less than seventy-two (72) hours prior notice of the anticipated or planned obstructions, road closures or traffic impacts.
- e) Permits: Unless otherwise provided, Contractor shall obtain and pay for all construction permits and licenses. The City shall assist Contractor, when necessary, in obtaining such permits and licenses. Contractor shall pay all governmental charges and inspection fees necessary for prosecution of the work.

7. **Termination.**

- (a) The City Manager without cause may terminate this Agreement upon thirty (30) days written notice to the Contractor, or immediately with cause.
- (b) Unless directed otherwise in writing by the City Manager, upon receipt of the City's written notice of intent to terminate or notice of actual termination, Contractor shall stop the Work.
- (c) In the event of termination by the City, the Contractor shall be paid for all Work accepted by the City Manager up to the date of termination.
- (d) The Contractor shall transfer all books, records, reports, working drafts, documents, maps, and data properly indexed and labeled pertaining to the Work to the City, in a hard copy and/or electronic format (as specified by the City) within 14 days from the date of the written notice of termination or the date of expiration of this Agreement.

Each policy certificate shall be endorsed with a provision that not less than thirty (30) calendar days' written notice shall be provided to the City before any policy or coverage is cancelled or restricted.

17. **Nonassignability.**

- (a) This Agreement shall not be assignable by Contractor unless such assignment is first approved by the City Manager. The City is relying upon the apparent qualifications and personal expertise of the Contractor, and such firm's familiarity with the City's area, circumstances, and desires.

18. **Severability.**

- (a) If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each remaining term and provision of this Agreement shall be valid and be enforceable to the fullest extent permitted by law.

20. **Compliance with Laws.**

- (a) The Contractor shall ensure that it, and all its subcontractors (at all tiers), comply with all federal, state and local applicable laws, ordinances, rules, regulations, and lawful orders of public authorities relating to the Work.

21. **Waiver.**

- (a) The failure of the City to object to or to take affirmative action with respect to any conduct of the other which is in violation of the terms of this Agreement shall not be construed as a waiver of the violation or breach, or of any future violation, breach or wrongful conduct.

22. **Survival of Provisions.**

- (a) Any terms or conditions of either this Agreement that require acts beyond the date of the term of the Agreement, shall survive termination of the Agreement, shall remain in full force and effect unless and until the terms or conditions are completed and shall be fully enforceable by either party.

23. **Prohibition of Contingency Fees.**

- (a) The Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Contractor, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person(s), company, corporation, individual or firm, other than a bona fide employee working solely for the Contractor, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement.

24. **Counterparts.**

- (a) This Agreement may be executed in several counterparts, each of which shall be deemed an original and such counterpart shall constitute one and the same instrument.

25. **Authorization to Sign Agreement.**

- (a) The execution and delivery of this Agreement by Contractor is within Contractor's capacity and all requisite action has been taken to make this Agreement valid and binding on Contractor in accordance with its terms.

26. **Non-Exclusive Agreement.**

Upon receipt of any such document, Contractor shall promptly proceed with the Work involved.
- (b) The Contract Price may only be changed by a written Change Order. Any claim for an increase or decrease in the Contract Price shall be based on written notice of intent to claim delivered to the City promptly [but in no event later than three (3) business days after the first occurrence of the event giving rise to the amount of the claim]. Contractor shall deliver to the City a good faith estimate of the cost and time impacts caused by the claim causing event within seven (7) calendar days of the first occurrence of the event giving rise to the claim. Within seven (7) calendar days of the conclusion of the claim causing event, but no later than the Substantial Completion date, Contractor shall deliver to the City a full and complete written claim identifying all costs and time impacts that the Contractor believes should be paid due to the claim causing event and shall include full and final substantiation for all price and time adjustments. The City Manager will review the claim and make a decision on the request. The City Manager's decision will be final unless within seven (7) calendar days of the date of the City Manager's decision the Contractor provides the City with written notice expressly stating that the Contractor disputes the decision and intends to pursue the matter via litigation. Failure by Contractor to strictly comply with the provisions of this article will result in a waiver of the claim.

30. **Subsurface Conditions**

- (a) Information shown on the Drawings and/or indicated in the Agreement Documents as to the location of existing utilities and subsurface conditions has been prepared from the most reliable data available to the City. This information is not guaranteed, however, and it shall be the Contractor's responsibility to determine the location, character and depth of existing utilities. The City expressly disclaims any warranty as to the underground conditions to be encountered. The Contractor should not rely on locations, condition, or quantity of subsurface structures or conditions depicted on drawings, as the locations, condition, and quantities are approximations.

31. **Compensation for Delay.**

- (a) **NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME SHALL BE MADE OR ASSERTED AGAINST THE CITY BY REASON OF ANY DELAYS, DISRUPTION, INTERFERENCE, OR HINDRANCE** (collectively "Delay"). Notwithstanding anything to the contrary contained in the Agreement Documents, the Contractor shall not be entitled to additional compensation for any Delay unless the Delay shall have been caused by acts constituting willful or intentional interference by the City with the Contractor's performance of the Work, and then only where such acts continue after Contractor's written notice to the City of such interference.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties have executed this Agreement on the respective dates under each signature. The City, signing by and through its City Manager, attested to by its City Clerk, duly authorized to execute same; and by Contractor by and through its President, who has been duly authorized to execute same.
