**STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
DIVISION OF WATER RESTORATION ASSISTANCE
GRANT AGREEMENT**

PURSUANT TO CHAPTER 2016-225, SECTION 6, LAWS OF FLORIDA, FY16-17

THIS AGREEMENT is entered into pursuant to Section 215.971, Florida Statutes (F.S.), between the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION, whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (hereinafter referred to as the "Department") and the CITY OF MARATHON, whose address is 9805 Overseas Highway Marathon, Florida 33050 (hereinafter referred to as "Grantee"), local government, to provide financial assistance for the City of Marathon Canal Restoration and Stormwater Improvements. Collectively, the Department and the Grantee shall be referred to as "Parties" or individually as a "Party".

In consideration of the mutual benefits to be derived herefrom, the Department and the Grantee do hereby agree as follows:

1. TERMS OF AGREEMENT:

The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A, Grant Work Plan**, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Grantee" and "Recipient" are used interchangeably.

2. PERIOD OF AGREEMENT:

This Agreement shall begin upon execution by both parties and shall remain in effect until December 31, 2019, inclusive. The Grantee shall be eligible for reimbursement for work performed on or after July 1, 2016, through the expiration date of this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

3. FUNDING/CONSIDERATION/INVOICING:

- A. As consideration for the satisfactory completion of services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of \$875,000.00. It is understood that any additional funds necessary for the completion of this project are the responsibility of the Grantee. The parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee.
- B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement.
 - i. A Change Order to this Agreement is required when task timelines within the current authorized Agreement period change, and/or when the cumulative transfer of funds between approved budget categories, as defined in Attachment A, are less than ten percent (10%) of the total budget as last approved by the Department. All Change Orders are subject to the mutual agreement of both parties as evidenced in writing.
 - ii. A formal Amendment to this Agreement is required for changes which cause any of the following: an increase or decrease in the Agreement funding amount, a change in the Grantee's match requirements, a change in the expiration date of the Agreement, and/or changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment A, exceeds or is expected to exceed ten percent (10%)

of the total budget as last approved by the Department. All Amendments are subject to the mutual agreement of both parties as evidenced in writing.

- C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of each deliverable identified in **Attachment A**, in accordance with the schedule therein. Reimbursement shall be requested utilizing **Attachment B, Payment Request Summary Form**. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: http://www.myfloridacfo.com/aadir/reference_guide/. All invoices for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to **Attachment A** must be performed on or before the completion date of the Agreement, and the subsequent sixty-day period merely allows the Grantee to finalize invoices and backup documentation to support the final payment request.
- D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in **Attachment C, Contract Payment Requirements**. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable: Reimbursement shall be limited to the following budget categories:
- i. **Contractual** (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the project. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. Subcontracts, which involve equipment purchases as part of an installation/retrofit or that include infrastructure and/or infrastructure improvements, as defined in Florida Chief Financial Officer (CFO) Memorandum No. 5 (2011-2012), must be capitalized in accordance with Chapter 69I-72, Florida Administrative Code (F.A.C.). The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

For fixed-price (vendor) subcontracts, the following provisions shall apply:

- a. The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in **Attachment A**. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (i.e., Invitation to Bid or Request for Proposals) resulting in the fixed-price subcontract.
- b. The Grantee may request approval from the Department to award a fixed-price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by

the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed-price amount, the Grantee may proceed in finalizing the fixed-price subcontract.

- c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.
- E. In addition to the invoicing requirements contained in paragraphs 3.C. and D. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at http://www.myfloridacfo.com/aadir/reference_guide/.
- F.
 - i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
 - ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
 - iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.

4. **ANNUAL APPROPRIATION:**

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and payment associated therewith may be rescinded with proper notice at the discretion of the Department if Legislative appropriations are reduced or eliminated.

5. **REPORTS:**

The Grantee shall utilize **Attachment D, Progress Report Form**, to describe the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly reports shall be submitted to the Department's Grant Manager no later than

twenty (20) calendar days following the completion of the quarterly reporting period. It is hereby understood and agreed by the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. The Department's Grant Manager shall have thirty (30) calendar days to review the required reports and deliverables submitted by the Grantee.

6. **RETAINAGE:**

Retainage is not required under this Agreement.

7. **INDEMNIFICATION:**

Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.

8. **DEFAULT/TERMINATION/FORCE MAJEURE:**

- A. The Department may terminate this Agreement at any time if any warranty or representation made by Grantee in this Agreement or in its application for funding shall at any time be false or misleading in any respect, or in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
- B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar day's written notice. If the Department terminates the Agreement for convenience, the Department shall notify the Grantee of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.
- C. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the Grantee shall promptly notify the Department orally. Within seven (7) calendar days, the Grantee shall notify the Department in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the Grantee's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the Department may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the Department accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the Grantee, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the Grantee and/or the Department. The Grantee is responsible for the performance of all services issued under this Agreement. Failure to perform by the Grantee's consultant(s) or subcontractor(s) shall not constitute a force majeure event.

9. **REMEDIES/FINANCIAL CONSEQUENCES:**

No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Grantee shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the Department, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the

specified timeframe, the Department may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the Department Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the Grantee to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

- A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Grantee shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of this Agreement for cause as authorized in this Agreement.
- B. Upon the Department's notice of acceptance of a proposed CAP, the Grantee shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, the Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the Department or steps taken by the Grantee shall preclude the Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Grant Manager.
- C. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the Department may result in termination of the Agreement.

The remedies set forth above are not exclusive and the Department reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by the Agreement.

10. **RECORD KEEPING/AUDIT:**

- A. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
- B. The Grantee understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.

11. **SPECIAL AUDIT REQUIREMENTS:**

- A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment E, Special Audit Requirements**, attached hereto and made a part hereof. **Exhibit 1 to Attachment E** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment E**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grants Development and Review Manager at (850) 245-2361 to request a copy of the updated information.

- B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment E, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under 2 CFR §200.330 for determining whether the relationship represents that of a subrecipient or vendor. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. ATTACHMENT A GRANT WORK PLAN

PROJECT TITLE: City of Marathon Canal Restoration and Stormwater Improvements

PROJECT LOCATION: The project is located in the City of Marathon (Grantee), Monroe County, Florida.

PROJECT BACKGROUND: The Grantee, through the use of Monroe County's Canal Maintenance Master Plan (CMMP), dated September 20, 2013, and developed by AMEC Environmental & Infrastructure, Inc., has identified and prioritized canals within the City requiring maintenance to improve water quality. Additionally, the Grantee has identified areas that stormwater drainage improvements are needed to eliminate or reduce stormwater runoff and the discharge of nutrients into the nearshore waters surrounding the City.

The project will positively affect the water quality in the City's canals and adjacent nearshore waters, which include Florida Bay and the Atlantic Ocean within the Florida Keys National Marine Sanctuary and surrounding the Florida Keys Area of Critical State Concern.

It is the intent of the Grantee to improve the water quality within canals by improving the tidal flushing in the canals and by reducing the discharge of nutrients via poorly designed stormwater collection and treatment systems.

PROJECT DESCRIPTION: The Grantee will procure an engineer for design and permitting for muck dredging and spoil management and culvert replacement for various canals within the City. The Grantee will ultimately contract with a company to remove and mitigate the muck and/or replace various culverts under the supervision of the engineer. The ultimate disposal of the muck is the responsibility of the Grantee and must be in compliance with applicable laws and rules. The work will be prioritized as provided in the Canal Maintenance Master Plan until the funds are exhausted.

In addition, the Grantee will procure an engineer to design and permit stormwater improvements for the 39th Street, Gulf corridor from US#1 to the Gulf of Mexico. The improvements will alleviate flooding and potential discharge due to overflow from stormwater and tidal surges.

TASKS and DELIVERABLES:

Task # 1: Pre-Design Study

Task Description: The Grantee will perform a pre-design analysis of the Canal Maintenance Master Plan (CMMP) by AMEC Environmental & Infrastructure, Inc. and produce a pre-design report that will identify and outline the scope of the problem in the identified canals. The Pre-Design study will outline design options, and identify tasks required to complete resolution of the problem and establish a priority order for the design, permitting and construction.

Deliverables: Final pre-design report submitted electronically to the Department's Grant Manager. Upon request, the Grantee will provide a paper copy of the final pre-design report.

Performance Standard: The Department's Grant Manager will review the deliverable to verify that it meets the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of all deliverables under this task, the Grantee may proceed with payment request submittal.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement upon completion of the task and Department approval of all associated task deliverables.

Task # 2: Design and Permitting Canal Muck Dredging and Spoil Management and Culvert Replacement

Task Description: The Grantee will complete the design for the canal muck dredging, spoil management, and culvert replacement and obtain all required permits to construct the project.

Deliverables: An electronic copy of the final design, including professional certification as applicable, and a list of all required permits identifying issue dates and issuing authorities submitted to the Department's Grant Manager. Upon request, the Grantee will provide copies of obtained permits or permit related correspondence or documentation and/or a paper copy of the final design.

Performance Standard: The Department's Grant Manager will review the deliverables to verify that they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of all deliverables under this task the Grantee may proceed with payment request submittal.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement upon completion of the task and Department approval of all associated task deliverables.

Task # 3: Construction

Task Description: The Grantee will dredge muck from the canals and replace culverts as detailed in the Pre-Design Report (Task #1) in accordance with the final designs and required permits. This task includes the installation of transportation infrastructure crossings and a hydraulic dredge pipeline to pump the sediments to the dredge material management area (DMMA). The DMMA site(s) will be prepared for dewatering and treatment of the dredged material, the site(s) restored, and the suitable dredged materials offloaded to the prepared spoil disposal site(s).

Deliverable #3a: Muck dredging and spoil management completed to date as described in this task, as evidenced by these interim deliverables: 1) Signed acceptance of the completed work by the Grantee; 2) Contractor's Application and Certification for Payment; and 3) dated color photographs of on-going work representing time period covered in payment request. These interim deliverables must be submitted prior to each payment request and may be submitted no more frequently than the quarterly report for the grant.

Performance Standard: The Department's Grant Manager will review each submitted interim deliverable to verify that it meets the specifications in the Grant Work Plan and this task description and that work is being performed in accordance with the Grantee's construction contract documents and specifications. Upon review and written acceptance of each quarterly interim deliverables submittal by the Department's Grant Manager, the Grantee may proceed with payment request submittal for costs associated with that quarterly submittal period under this task.

Contractor's Application and Certification for Payment should include the following supporting documentation:

1. An itemized summary of the materials, labor, and/or services utilized during the period for which payment is being requested.
2. The summary should identify the nature of the work performed; the amount expended for such work; the name of the person/entity providing the service or performing the work; proof of payment of the invoices; and evidence of all work conducted for which a request for payment is being made.

3. Evidence may include references to any drafts or partially-complete designs, surveys, environmental documents and/or permit applications, drawings, and specifications (which must be made available upon request); and documentation demonstrating partial completion of construction activities.

Deliverable #3b: Muck dredging and spoil management completed as described in this task, as evidenced by these final deliverables: 1) Dated color photographs of the muck dredging and spoil management site(s) prior to, during, and immediately following completion of this task; 2) written verification that the Grantee has received record drawings and any required final inspection report(s) for the project; 3) signed acceptance of the completed work by the Grantee; and 4) signed statement from a Florida Licensed Professional Engineer indicating construction has been completed in accordance with the design.

Performance Standard: The Department's Grant Manager will review the final deliverables to verify that they meet the specifications in the Grant Work Plan and this task description and that work is being performed in accordance with the Grantee's construction contract documents and specifications. Upon review and written approval by the Department's Grant Manager of all final deliverables under this task, the Grantee may proceed with payment request submittal.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement no more frequently than once per quarter. The outlined Interim Deliverable(s) and/or Final Deliverable(s) must have been submitted and accepted in writing by the Department's Grant Manager prior to payment request submittal.

Task # 4: Design and Permitting Stormwater Collection & Treatment Improvements

Task Description: The Grantee will retain the services of an engineer to design, permit, oversee and certify the stormwater collection and treatment improvements for the 39th Street, Gulf corridor. The Grantee will complete the design, procedures and obtain all required permits to bid and ultimately construct the project.

Deliverables: An electronic copy of the final design, including professional certification as applicable, and a list of all required permits identifying issue dates and issuing authorities submitted to the Department's Grant Manager. Upon request, the Grantee will provide copies of obtained permits or permit related correspondence or documentation and/or a paper copy of the final design.

Performance Standard: The Department's Grant Manager will review the deliverables to verify that they meet the specifications in the Grant Work Plan and this task description. Upon review and written acceptance by the Department's Grant Manager of all deliverables under this task the Grantee may proceed with payment request submittal.

Payment Request Schedule: Grantee may submit a payment request for cost reimbursement upon completion of the task and Department approval of all associated task deliverables.

PROJECT TIMELINE: The tasks must be completed by the corresponding task end date and all deliverables must be received by the designated due date.

Contract Payment Requirements Florida Department of Financial Services, Reference Guide for State Expenditures *Cost Reimbursement Contracts*

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2)(n), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$750,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at <https://apps.fldfs.com/fsaa> for assistance. PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)
