**Hurricane Isaac (FEMA-4084-DR-FL)
Federally Funded Public Assistance Agreement**

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereafter referred to as the "Grantee"), and
Marathon, City of

_____ (hereafter referred to as the "Subgrantee").

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING FACTS AND CONDITIONS:

- A. On October 18, 2012, President Barack H. Obama issued a major disaster declaration designated FEMA-4084-DR-FL for the State of Florida as a result of Hurricane Isaac. As amended, the declaration authorized Public Assistance in Bay, Collier, Escambia, Franklin, Gulf, Martin, Monroe, Okaloosa, Palm Beach, Saint Lucie and Santa Rosa Counties.
- B. The FEMA-State Agreement dated October 31, 2012, between the State of Florida and the Federal Emergency Management Agency (FEMA) governing the use of such funds requires the State to share the costs eligible for federal financial assistance, and the State has undertaken to share those costs, as appropriated, with its Subgrantees; and

THEREFORE, the Grantee and the Subgrantee agree to the following:

(1) DEFINITIONS.

As used in this Agreement, the following terms shall have the following meanings unless another meaning is specified elsewhere:

- A. "Eligible activities" are those activities authorized in the FEMA-State Agreement, and in the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C §§ 5121-5207 (Stafford Act); in accordance with 44 CFR § 206.44; and applicable policies of FEMA.
- B. "FEMA-State Agreement" is the agreement dated October 31, 2012, between the FEMA and the State of Florida, for a presidential emergency declaration designated FEMA-4084-DR-FL. As amended, the agreement authorized Public Assistance in Bay, Collier, Escambia, Franklin, Gulf, Martin, Monroe, Okaloosa, Palm Beach, Saint Lucie and Santa Rosa Counties.

(2) APPLICABLE LAW.

The parties agree to all the conditions, obligations, and duties imposed by the FEMA-State Agreement and all applicable State and federal legal requirements including, without any limitation on the generality of the foregoing, the requirements of Title 44 of the Code of Federal Regulations (CFR) Part(s) 13 and 206, and the policies of the FEMA. The Subgrantee further agrees to comply with the Statement of Assurances attached hereto as Attachment "A."

(3) FUNDING AND INSURANCE.

Subject to an advancement of funds by Grantee to the Subgrantee, the Grantee shall otherwise provide funds on a cost reimbursement basis to the Subgrantee for eligible activities approved by the Grantee and FEMA, as specified in the approved Subgrantee Project Worksheets. However, the Grantee's performance and obligation to pay under this Agreement is contingent upon an appropriation by the State Legislature, subject to any modification in accordance with Chapter 216, Florida Statutes or Florida Constitution, and disbursement shall be consistent with section 252.37, Florida Statutes. The Grantee may provide some portion of any nonfederal share for some subgrantees. As a condition of receipt of the federal funding, the Subgrantee agrees to provide any nonfederal share not paid by the Grantee. The federal allowable costs shall be determined as per 44 CFR Part(s) 13 and 206, which shall be seventy-five (75) percent of all eligible costs unless a higher percentage is approved.

- A. The approved Project Worksheets shall be transmitted to Subgrantee, and shall state the cumulative funding allowed, the scope of the eligible project, and the costs eligible under this Agreement. Project Worksheets may obligate or deobligate funding, thereby amending the total funding for the project. The approved Project Worksheets shall document the total eligible costs and the total federal share of those costs, which shall be seventy-five percent of all eligible costs, unless a higher percentage is approved.
- B. As a condition to funding under this Agreement, the Subgrantee agrees that the Grantee may withhold funds otherwise payable to Subgrantee from any disbursement to Grantee upon a determination by Grantee or FEMA that funds exceeding the eligible costs have been disbursed to Subgrantee pursuant to this Agreement or any other funding agreement administered by Grantee.
- C. As a further condition to funding under this Agreement, for damaged facilities and pursuant to 44 CFR § 206.253, the Subgrantee shall maintain such types of insurance as are reasonable and necessary to protect against future loss for the anticipated life of the restorative work or the insured facility, whichever is the lesser.

(4) DUPLICATION OF BENEFITS PROHIBITION.

Subgrantee may not receive funding under this Agreement to pay for damage covered by insurance, nor may Subgrantee receive any other duplicate benefits under this Agreement.

- A. Without delay, Subgrantee shall advise Grantee of any insurance coverage for the damage identified on the applicable Project Worksheets and of any entitlement to compensation or indemnification from such insurance. All such duplicate benefits are "ineligible costs" which the Subgrantee shall reimburse to the Grantee without delay. The Subgrantee shall also reimburse the Grantee if the Subgrantee receives any duplicate benefits from any other source for any damage identified on the applicable Project Worksheets for which Subgrantee has received payment from Grantee.

- B. In the event that Grantee should determine that Subgrantee has received duplicate benefits, by its execution of this Agreement, the Subgrantee gives Grantee or the chief financial officer of the Florida Department of Financial Services the authority to set off the sum of any such duplicate benefits by withholding it from any other funds otherwise due and owing to Subgrantee, or to use such remedies available at law or equity to the repayment of said sums to Grantee.

(5) COMPLIANCE WITH ENVIRONMENTAL PLANNING AND PERMITTING LAWS.

Subgrantee shall be responsible for the implementation and completion of the approved projects described in the Project Worksheets in a manner acceptable to Grantee, and in accordance with applicable legal requirements. If applicable, the contract documents for any project undertaken by Subgrantee, and any land use permitted by or engaged in by Subgrantee, shall be consistent with the local government comprehensive plan. Subgrantee shall ensure that any development or development order complies with all applicable planning, permitting and building requirements. Subgrantee shall engage such competent, properly licensed engineering, building, and other technical and professional assistance at all project sites as may be needed to ensure that the project complies with the contract documents.

(6) REQUIRED DOCUMENTATION REVIEWS AND INSPECTIONS.

Subgrantee shall create and maintain documentation of work performed and costs incurred on each project identified in a Project Worksheet sufficient to permit a formal audit comporting with ordinary, customary and prudent public accounting requirements. Upon the failure of Subgrantee to create and maintain such documentation, Grantee may terminate further funding under this Agreement, and Subgrantee shall reimburse to Grantee all payments disbursed earlier to Subgrantee, together with any and all accrued interest.

- A. For all projects, Subgrantee shall state on the "Project Completion and Certification Report" that all work was performed in accordance with this Agreement and the requirements in each Project Worksheet, and shall state the date of completion.
- B. Grantee will inspect Small Projects by random selection, and will conduct the final inspections on Large Projects, to ensure that all work has been performed within the scope of work specified on the Project Worksheets. Costs not within the approved scope of work shall not be reimbursed.
- C. Subgrantee shall submit the following documentation for Large Projects (the Large Project threshold for this declaration is \$66,400.00), which can be found at www.FloridaPA.org:
1. a request for reimbursement;
 2. a summary of documentation, which shall be supported by original documents such as contract documents, invoices, purchase orders, and change orders;
 3. a request for final inspection;
 4. a signed Project Completion and Certification Report upon the completion of all projects; and
 5. a Project Completion and Certification Report specified by subparagraph (6)A. of this Agreement.

(7) COST SHARING.

The federal share of the eligible costs specified in the Project Worksheets under this Agreement shall be seventy five (75) percent of such costs, unless a higher percentage is approved, and the nonfederal share shall be the remaining amount. Payment of all or a specified portion of the nonfederal share of such costs is contingent upon a potential future State appropriation defining the apportionment of the nonfederal share. Administrative costs in addition to the Project Worksheets that are otherwise eligible under 44 CFR Part 206.228 and do not require matching funds may also be funded by FEMA.

(8) PAYMENT OF COSTS.

Grantee shall disburse the eligible costs to Subgrantee in accordance with the following procedures:

- A. Grantee shall disburse the federal and nonfederal shares of the eligible costs for "Small Projects" to Subgrantee as soon as practicable after execution of this Agreement and formal notification by the FEMA of its approval of the pertinent Small Project Worksheet.
- B. Grantee shall reimburse Subgrantee for the federal and nonfederal shares of the eligible costs for "Large Projects" as soon as practicable after execution of this Agreement and formal notification by the FEMA of its approval of the pertinent Large Project Worksheet. The invoice from the Subgrantee requesting this reimbursement must include:
 1. a Request for Reimbursement available at www.FloridaPA.org;
 2. a Summary of Documentation which shall be supported by original documents such as contract documents, invoices, purchase orders, change orders, canceled checks (or other proof of expenditure), etc..., which is also available at www.FloridaPA.org; and
 3. a letter or notification certifying that the reported costs were incurred in the performance of eligible work.
- C. Grantee may advance funds under this Agreement to Subgrantee not exceeding the federal share if Subgrantee meets the following conditions:
 1. Subgrantee shall certify to Grantee that Subgrantee has procedures in place to ensure that funds are disbursed to project vendors, contractors, and subcontractors without unnecessary delay;
 2. Subgrantee shall submit to Grantee the budget supporting the request;
 3. Subgrantee shall submit a statement justifying the advance and the proposed use of the funds, which also specifies the amount of funds requested and certifies that the advanced funds will be expended within 90 days of the advance;
 4. Subgrantee shall pay over to Grantee any interest earned on advances for remittance to the FEMA as often as practicable, but not later than ten (10) business days after the close of each calendar quarter.
- D. Grantee may, in its discretion, withhold its portion of the nonfederal share of funding under this Agreement from Subgrantee if Grantee has reason to expect a subsequent unfavorable determination by the FEMA that a previous disbursement of funds under this Agreement was improper.

- E. Any advance payment under this Agreement is subject to Section 216.181(16), Fla.Stat., and is contingent upon the Recipient's acceptance of the rights of the Division under Paragraph (24) of this Agreement. The amount which may be advanced may not exceed the expected cash needs of the Recipient within the first three (3) months of the contract term. For a federally funded contract, any advance payment is also subject to federal OMB Circulars A-87, A-110, A-122 and the Cash Management Improvement Act of 1990. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment "E." Attachment "E" will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment.
- F. As project costs are incurred, invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. Invoices shall be accompanied by a statement signed and dated by an authorized representative of the Recipient certifying that "all disbursements made in accordance with conditions of the Division agreement and payment is due and has not been previously requested for these amounts." The supporting documentation must comply with the documentation requirements of applicable OMB Circular Cost Principles. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division contract manager as part of the Recipient's quarterly reporting as referenced in Paragraph 20 of this Agreement.
- G. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief Financial Officer or under Paragraph (3) or (7) of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Recipient shall submit its closeout report within thirty days of receiving notice from the Division.

(9) FINAL PAYMENT.

Grantee shall disburse the final payment to Subgrantee upon the performance of the following conditions:

- A. Subgrantee shall have completed the project to the satisfaction of the Grantee;
- B. Subgrantee shall have submitted the documentation specified in Paragraphs (6) and (8) of this Agreement;
- C. in the case of Large Projects, the Grantee shall have performed the final inspection; or
- D. in the case of Small Projects, the project listing and certification shall have been reviewed by Grantee, or Grantee shall have performed a final inspection; and
- E. Subgrantee shall have requested final reimbursement.

(10) RECORDS MAINTENANCE.

The funding of eligible costs under this Agreement and the performance of all other conditions shall be subject to the following requirements, in addition to such other and further requirements as may be imposed by operation of law:

- A. The "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," as codified in 44 CFR Part 13, as amended.
- B. Office of Management and Budget Circular (OMB) No. A-87, "Cost Principles for State and Local Governments," as amended.

Subgrantee shall retain sufficient records to show its compliance with the terms of this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives under this Agreement and all other applicable laws and regulations, for a period of five years from the date of the final inspection and audit. The Subgrantee shall allow the Grantee or its designee, the comptroller general of the United States, FEMA, the chief financial officer or the auditor general of the State, access to records upon request. The five year period may be extended for the following exceptions:
 - 1. If any litigation, claim or audit is started before the five year period expires, and extend beyond the five year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
 - 2. Records for the disposition of non-expendable personal property valued at \$5,000 or more at the time it is acquired shall be retained for five years after final disposition.
 - 3. Records relating to real property acquired shall be retained for five years after the closing on the transfer of title.
- G. The Subgrantee, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Grantee, its employees, and agents (including auditors retained by the Grantee). "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, on Monday through Friday.

(11) REIMBURSEMENT OF FUNDS.

If upon final inspection, final audit, or other review by Grantee, FEMA or other authority determines that the disbursements to Subgrantee under this Agreement exceed the eligible costs, Subgrantee shall reimburse to Grantee the sum by which the total disbursements exceed the eligible costs within forty-five (45) days from the date Subgrantee is notified of such determination.

(12) REPAYMENT BY SUBGRANTEE.

All refunds or repayments due to the Grantee under this Agreement are to be made payable to the order of "Division of Emergency Management, Cashier" and mailed directly to the following address: **Cashier, Division of Emergency Management, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100.** In accordance with section 215.34 (2), Florida Statutes, if a check or other draft is returned to the Grantee for collection, Recipient shall pay the Grantee a service fee of \$15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(13) AUDIT.

- A. The Subgrantee agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.
- B. These records shall be available at all reasonable times for inspection, review, or audit by State personnel and other personnel duly authorized by the Grantee. "Reasonable" shall be construed according to circumstances, but ordinarily shall mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.
- C. The Subgrantee shall also provide the Grantee or its designee with the records, reports or financial statements upon request for the purposes of auditing and monitoring the funds awarded under this Agreement.

- E. If a subgrantee spends less than \$500,000 in federal awards in its fiscal year, an audit conducted in accordance with the provision of OMB Circular A-133, as revised, is not required. In the event the contractor expends less than \$500,000 in federal awards in its fiscal year and chooses to have an audit conducted in accordance with OMB Circular A-133 Part .200, as revised, the cost of the audit must be paid from non-federal funds.
- F. In the event an audit shows that the entire funds disbursed hereunder, or any portion thereof, were not spent in accordance with the conditions of this Agreement, the Subgrantee shall be held liable for reimbursement to the Grantee of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty (30) days after the Grantee has notified the contractor of such non-compliance.
- G. If audit is conducted as required by subparagraph D. above, the subgrantee shall send a copy of the reporting package as described Part .320 (c) of OMB Circular A-133, as revised, to the Grantee at each of the following addresses:

- I. Any reports, management letter, or other information required to be submitted to the Grantee pursuant to this Agreement shall be submitted timely in accordance with OMB Circular A-133, section(s) 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Florida Statutes, and Rules of the Auditor General, as applicable.
- J. Subgrantee, when submitting financial reporting packages to the Grantee for audits done in accordance with OMB Circular A-133 or section(s) 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Florida Statutes, or Rules of the Auditor General, should indicate the date that the reporting package was delivered to the Recipient in correspondence accompanying the reporting package.
- K. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not spent in accordance with the conditions of this Agreement, the contractor shall be held liable for reimbursement to the Grantee of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty (30) days after the Grantee has notified the Grantee of such non-compliance.
- L. A subgrantee shall have all audits completed by an independent certified public accountant (IPA) who shall either be a certified public accountant or a public accountant licensed under Chapter 473, Florida Statutes. If the subgrantee is a State agency, an audit conducted by the Florida Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this paragraph. The IPA shall state that the audit complied with the applicable provisions noted above. If an audit is required, the audit must be submitted to the Grantee no later than nine (9) months from the end of the Subgrantee's fiscal year.

(14)NONCOMPLIANCE.

If the Subgrantee violates this Agreement or any statute, rule or other legal requirement applicable to the performance of this Agreement, the Grantee may withhold any disbursement otherwise due Subgrantee for the project with respect to which the violation has occurred until the violation is cured or has otherwise come to final resolution. If the violation is not cured, Grantee may terminate this Agreement and invoke its remedies under the Agreement as per Paragraph 24 of this Agreement.

(15)NONDISCRIMINATION BY CONTRACTORS.

Pursuant to 44 CFR Parts 7 and 16, and 44 CFR Part 206.36, the Subgrantee shall undertake an active program of nondiscrimination in its administration of disaster assistance under this Agreement. Subgrantee shall also be subject to the requirements in the General Services Administrative Consolidated List of Debarred, Suspended and Ineligible Contractors, in accordance with 44 CFR Part 17.

(16)MODIFICATION.

The time for performance of this Agreement may be extended once unless the failure of Subgrantee to close out the project is caused by events beyond its control. A modification extending the time for completion of the project and any other modification shall be in writing, and shall take effect only upon execution by both parties. Modifications to any Project Worksheet to be funded under this Agreement may be requested by Subgrantee through Grantee, but the approval of any such modifications shall reside in the sole discretion of FEMA. Any approved modification to a Project Worksheet shall be noted in an additional Project Worksheet version for the project and in any amendment to this Agreement. If otherwise allowed under this Agreement, any extension shall be in writing and shall be subject to the same terms and conditions as those set out in the initial Agreement.

(17)TIME FOR PERFORMANCE.

The time for the performance of eligible emergency work shall be six (6) months from the date of the presidential emergency declaration, unless extended by the Grantee or FEMA. The time for the performance of eligible permanent work shall be eighteen (18) months from the date of the presidential emergency declaration, unless extended by the Grantee or FEMA. The time for the performance of this Agreement may be extended for cause by Grantee. Extensions shall not be approved for delays caused by lack of cost-share funding. If any extension request is denied by the Grantee or not sought by the Subgrantee, Subgrantee shall only be reimbursed for eligible project costs incurred up to the latest extension for completed projects. Failure to complete any project will be adequate cause for the termination of funding for that project and reimbursement of any and all project costs.

(18)CONTRACTS WITH OTHERS.

If the Subgrantee contracts with any other contractor or vendor for performance of all or any portion of the work required under this Agreement, the Subgrantee shall incorporate into its contract with such contractor or vendor an indemnification clause holding Grantee and Subgrantee harmless from liability to third parties for claims asserted under such contract. The Subgrantee shall also document in the quarterly report the subcontractor's progress in performing its work under this Agreement. For each subcontract, the Subgrantee shall provide a written statement to the Grantee as to whether the subcontractor is a minority vendor, as defined in section 288.703, Florida Statutes.

(19)LIABILITY.

Grantee assumes no liability to third parties in connection with this Agreement. Unless the Subgrantee is a governmental entity covered under section 768.28 (5), Florida Statute, the Subgrantee shall be solely responsible to any and all contractors, vendors, and other parties with whom it contracts in performing this Agreement. Unless the Subgrantee is a governmental entity within the meaning of the preceding sentence, Subgrantee shall indemnify Grantee from claims asserted by third parties in connection with the performance of this Agreement, holding Grantee and Subgrantee harmless from the same. For the purpose of this Agreement, the Grantee and Subgrantee agree that neither one is an employee or agent of the other, but that each one stands as an independent contractor in relation to the other. Nothing in this Agreement shall be construed as a waiver by Grantee or Subgrantee of any legal immunity, nor shall anything in this Agreement be construed as consent by either of the parties to be sued by third parties in connection with any matter arising from the performance of this Agreement. Subgrantee represents that to the best of its knowledge any hazardous substances at its project site or sites are present in quantities within statutory and regulatory limitations, and do not require remedial action under any federal, State or local legal requirements concerning such substances. Subgrantee further represents that the presence of any such substance or any condition at the site caused by the presence of any such substance shall be addressed in accordance with all applicable legal requirements.

(20)REPORTS.

Subgrantee shall provide Quarterly Reports to Grantee, on the Quarterly Report Form conforming to the sample attached as Attachment "B," and available on www.FloridaPA.org. The first Quarterly Report shall be due at such time as Subgrantee is notified. All subsequent Quarterly Reports shall be due no later than fifteen (15) days after each calendar quarter through final inspection. Quarterly Reports shall indicate the anticipated completion date for each project, together with any other circumstances that may affect the completion date, the scope of work, the project costs, or any other factors that may affect compliance with this Agreement. Interim inspections shall be scheduled by Subgrantee before the final inspection, and may be required by Grantee based on information supplied in the Quarterly Reports. Grantee may require additional reports as needed, and Subgrantee shall provide any additional reports requested by Grantee as soon as practicable. With respect to the Request for Advance or Reimbursement, the Summary of Documentation, and the Quarterly Reports, the contact for Grantee will be the State Public Assistance Officer.

(21)MONITORING.

The Subgrantee shall monitor its performance under this Agreement, as well as that of its subcontractors, Subgrantee and consultants who are paid from funds provided under this Agreement, to ensure that performance under this Agreement are achieved and satisfactorily performed and in compliance with applicable State and federal laws and rules.

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised and section 215.97, Florida Statutes, monitoring procedures may include, but not be limited to, on-site visits by Grantee or its agent, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the Subgrantee agrees to comply and cooperate with all monitoring procedures/processes deemed appropriate by the Grantee. In the event that the Grantee determines that a limited scope audit of the Subgrantee is appropriate, the Subgrantee agrees to comply with any additional instructions provided by the Grantee to the Subgrantee regarding such audit. The Subgrantee further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Comptroller or Auditor General. In addition, the Grantee will monitor the performance and financial management by the Subgrantee throughout the contract term to ensure timely completion of all tasks.

(22)MANDATED CONDITIONS.

Subgrantee agrees to the following conditions:

- A. Bills for fees or other compensation for services or expenses must be submitted in detail sufficient for a proper pre-audit and post-audit.
- B. Grantee may unilaterally terminate this Agreement for refusal by the Subgrantee or its contractors or subcontractors to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statute, that are made or received by Subgrantee or its contractors and subcontractors in connection with this Agreement.
- C. Subgrantee agrees that no funds or other resources received from the Grantee disbursed to it under this Agreement will be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any State agency.
- D. Subgrantee certifies that it possesses the legal authority to receive the funds under this Agreement and that its governing body (if applicable) has authorized the execution and acceptance of this Agreement. The Subgrantee also certifies that the undersigned person has the authority to legally execute and bind Subgrantee to the terms of this Agreement.

- E. Subgrantee agrees that responsibility for compliance with this Agreement rests with Subgrantee, and further agrees that noncompliance with this Agreement shall be cause for the rescission, suspension or termination of funding under this Agreement, and may affect eligibility for funding under future Subgrantee Agreements.
- F. If otherwise allowed under this Agreement, all bills for any travel expenses shall be submitted in accordance with section 112.061, Florida Statute.
- G. The Grantee will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Grantee shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Subgrantee of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Grantee.
- H. - J. With respect to any subgrantee other than a State agency or political subdivision of the State, which receives funds under this Agreement from the federal government, by signing this Agreement, the Subgrantee certifies, to the best of its knowledge and belief, that it and its principals:

- K. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Subgrantee in this Agreement, in any subsequent submission or response to Grantee request, or in any submission or response to fulfill the requirements of this Agreement, and such information, representations, and materials are incorporated by reference. The lack of accuracy thereof or any material changes shall, at the option of the Grantee and with thirty (30) days written notice to the Subgrantee, cause the termination of this Agreement and the release of the Grantee from all its obligations to the Subgrantee.
- L. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall lie in Leon County. If any provision hereof is in conflict with any applicable statute or rule, or is otherwise unenforceable, then such provision shall be deemed null and void to the extent of such conflict, and shall be deemed severable, but shall not invalidate any other provision of this Agreement.

The undersigned shall require that the language of this certification be included in the award documents for all sub awards at all tiers (including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements) and that all sub grantees shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

- N. All unmanufactured and manufactured articles, materials and supplies which are acquired for public use under this Agreement have been produced in the United States as required 41 U.S.C. 10a, unless it would not be in the public interest or unreasonable in cost.

Notwithstanding the preceding sentence, Grantee may at its option continue to make payments or portions of payments after the occurrence of any one or more such events without waiving the right to exercise such remedies and without incurring liability for further payment. Grantee may at its option terminate this Agreement and any and all funding under this Agreement upon the occurrence of any one or more of the following:
1. any representation by Subgrantee in this Agreement is inaccurate or incomplete in any material respect, or Subgrantee has breached any condition of this Agreement with Grantee and has not cured in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

- B. Upon the occurrence of any one or more of the foregoing events of default, Grantee may at its option give notice in writing to Subgrantee to cure its failure of performance if such failure may be cured. Upon the failure of Subgrantee to cure, Grantee may exercise any one or more of the following remedies:

- E. The venue of any action or proceeding by either Grantee or Subgrantee for enforcement of this Agreement or for adjudication of rights, interests, or duties of the parties to it shall lie in the Circuit Court for Leon County, State of Florida.
- F. Notwithstanding anything to the contrary elsewhere in this Agreement, the rescission, suspension or termination of this Agreement by Grantee shall not relieve Subgrantee of liability to Grantee for the restitution of funds advanced to Subgrantee under this Agreement, and Grantee may set off any such funds by withholding future disbursements otherwise due Subgrantee under this Agreement until such time as the exact amount of restitution due Grantee from Subgrantee is determined. In the event that FEMA should deobligate funds formerly allowed under this Agreement, the Subgrantee shall immediately repay such funds to
