Preferred Claims Administration

Preferred Governmental Claim Solutions, Inc. ® (PGCS) is the premier governmental third-party claims administrator in the state of Florida and administers the claims for Preferred Governmental Insurance Trust (*Preferred*). Since its founding in 1956, PGCS has provided claims administration services exclusively to over 450 governmental entities including schools, cities, towns, counties, community development districts, and fire districts. Therefore, PGCS's adjusters are extremely qualified to handle governmental tort liability and public sector workers' compensation claims. They are experts at investigating and handling police and firefighters presumption claims. PGCS is sensitive to the politics involved in the handling of public entity claims.

PGCS's claims administration program consists of workers' compensation, general liability, bodily injury, personal injury, property, auto liability, auto physical damage, employment practices liability, school leaders/educators liability and public officials liability. Their claims staff has over 630 years of combined insurance experience and each has been with PGCS an average of 8 years. Claims are handled under strict supervision in accordance with the PGCS workers' compensation and liability claim handling procedure manuals and the PGCS claim best practices manual. A random sampling of each adjuster's claim files are audited on a monthly basis by a Quality Assurance Manager to ensure compliance.

PGCS provides their clients with a dedicated Subrogation Unit to pursue reimbursements from at-fault third parties. Their current recovery rate is fifty-nine (59) percent of the claim costs expended. PGCS also has a dedicated excess reporting and recovery unit for communication to and securing reimbursement from the excess and/or reinsurance carriers. In addition, PGCS provides a state-approved Special Investigation Unit (SIU) to prevent and pursue fraudulent claims. PGCS offers rewards up to \$10,000.00 for the arrest and conviction of persons committing workers' compensation fraud. This service is provided via a twenty-four hour seven day a week hotline.

PGCS utilizes the RiskMaster system for claims processing. This system captures a wide variety of data and allows the adjuster to enter an unlimited number of claim notes, process reserve changes, and issue claim payments. Customized reports can be obtained from PGCS's on-line system containing a multitude of data parameters that a client may choose to analyze. The system can be accessed by clients via their website at www.pgcs-tpa.com.

Communication with PGCS's clients is the cornerstone of their claims administration program. Professional adjusters, nurses, management, quarterly in-depth claim review meetings, 24/7 claim reporting, utilization of attorneys specializing in public entity defense, litigation management, and return to work programs are just a sample of how PGCS has set the standard for the industry.

PGCS is committed to partnering with their clients to provide professional and aggressive claim management programs. While they are recognized as the leader in the industry, PGCS is always striving to improve the quality of their programs and expand the services that they offer.

Preferred Safety and Risk Management Services

The success of any public sector community is tied to its ability to protect and preserve its human physical assets. This basic premise serves as the cornerstone of an effective Safety Management program and underscores the importance of Safety and Risk Control to the community. *Preferred's* Safety and Risk Management Department is very aware of the valuable contribution a comprehensive safety and risk control program makes to the bottom-line of any organization.

At *Preferred*, Safety consultations originate with one basic thought—to recommend specific measures to minimize or eliminate the exposures that cause accidents. This does not mean that the workplace become no-risk utopias, but we expect our consultants to recommend measures to control and minimize all types of accidents, injuries and illnesses to our *Preferred* members' operations and premises.

Preferred is dedicated to meeting the challenge of the complex issues facing public sector organizations. Disarming these issues and converting them into solutions which work to the advantage of our goal. *Preferred's* approach to risk control incorporates the following elements:

- **Exposure Identification** – Assist management in determining areas where a chance of loss might exist through cause trend analysis, work site evaluations, and facility inspections.
- **Exposure Measurement and Loss Analysis** – Loss analysis and a review of the consequences of the exposures will be considered to develop alternative methods of control.
- **Determination and Selection of Appropriate Risk Control Methods** – Based on measurement and analysis, specific recommendations and/or custom designed risk control plan will be formulated. OSHA, as well as other Agency Standards will be applied and/or used as a “Best Practice” measure when designing and formulating safety and risk control plans.
- **Training and Safety Management Consulting** – After considering client needs specific services and/or training will be formulated and initiated to fit the client's need. Key Personnel or specialty consulting services with the knowledge and skills needed to meet those identified needs will be provided.
- **Additional Consulting Services Available** – *Preferred's* Safety & Risk Management has other services available that may benefit our clients. These services include security evaluations and review of existing safety and risk programs.

Preferred's Safety and Risk Management Department evaluates the unique needs to each client, ultimately designing a program that is capable of being integrated into the overall safety and risk control efforts of each client. *Preferred's* dedication to the problem-solving approach is the foundation of their Safety and Risk Management Service.

For the 2019 – 2020 policy year, your insurance was placed with Preferred Governmental Insurance Trust (*Preferred*). *Preferred* is an insurance trust formed by Florida public entities through an Interlocal Agreement for the purpose of providing its members with an array of insurance coverages and services. *Preferred* has contracted with entities owned by Brown & Brown, Inc. to perform various services. As explained below, those Brown & Brown entities are compensated for their services.

Preferred has contracted with Public Risk Underwriters (PRU), a company owned by Brown & Brown, Inc., to administer *Preferred*'s operations. The administrative services provided by PRU to *Preferred* include:

- Underwriting

- Accounting
- Issuance of *Preferred* Coverage Agreements
- *Preferred* Member Liaison
- Risk Assessment and Control

Pursuant to its contract with *Preferred*, PRU receives an administration fee, based on the size and complexity of the account, of up to 12.5% of the premium you pay to *Preferred*. PRU may also receive commissions from insurance companies with whom it places your coverage, which commissions are derived from the premium you pay to *Preferred*. Multiple underwriters may be involved in the placement of your coverage. If so, they also may be compensated for their services from the premium you pay to *Preferred*.

Preferred has also contracted with Preferred Governmental Claims Solutions (PGCS), a company owned by Brown & Brown, Inc., for purposes of administering the claims of *Preferred* members. The services provided by PGCS to *Preferred* may include:

***PREFERRED* Compensation Disclosure (continued)**

Pursuant to its contract with *Preferred*, PGCS receives a claims administration fee for those accounts which PGCS services of up to 5% of the non-property portion of the premiums you pay to *Preferred*.

Preferred also utilizes wholesale insurance brokers, some of which (such as Peachtree Special Risk Brokers and MacDuff Underwriters) are owned by Brown & Brown, Inc., for the placement of *Preferred's* insurance policies, and for individual risk placements for some *Preferred* members (excess and surplus lines, professional liability coverage, etc.). The wholesale insurance broker may provide the following services:

- Risk Placement
- Coverage review
- Claims Liaison with Insurance Company
- Policy Review
- Current Market Intelligence

The wholesale insurance broker's compensation is derived from your premium, and is largely dictated by the insurance company. It typically ranges between 10% and 17% of the premiums you pay to *Preferred* for your coverage. Some wholesale brokers used by Brown & Brown to place your coverage may also act as Managing General Agents for various insurance companies, and may be compensated directly by those insurance companies for their services in placing and maintaining coverage with those particular companies.

The wholesale insurance brokerage utilized in the placement of property insurance was Peachtree Special Risk Brokers, which is a company owned by Brown & Brown Inc. Furthermore, any professional liability coverage afforded by the package of insurance you purchased was acquired through Apex Insurance Services, which is also a company affiliated with Brown & Brown Inc.

Coverage Provided By: Preferred Governmental Insurance Trust
Quote Number: PK FL1 0442900 19-04 01 - 1

YOU ARE ELECTING NOT TO PURCHASE CERTAIN VALUABLE COVERAGE WHICH PROTECTS YOU AND YOUR FAMILY OR YOU ARE PURCHASING UNINSURED MOTORISTS LIMITS LESS THAN YOUR BODILY INJURY LIABILITY LIMITS WHEN YOU SIGN THIS FORM. PLEASE READ CAREFULLY.

Uninsured Motorist coverage provides for payment of certain benefits for damages caused by owners or operators of uninsured motor vehicles because of bodily injury or death resulting there from. Such benefits may include payments for certain medical expenses, lost wages, and pain and suffering, subject to limitations and conditions contained in the Coverage Agreement. For the purpose of this coverage, an uninsured motor vehicle may include a motor vehicle as to which the bodily injury limits are less than your damages.

Florida law requires that automobile liability coverage agreements include Uninsured Motorist coverage at limits equal to the Bodily Injury limits in your coverage agreement unless you select a lower limit offered by the Trust, or reject Uninsured Motorist entirely. Please indicate whether you desire to entirely reject Uninsured Motorist coverage, or, whether you desire this coverage at limits lower than the Bodily Injury Liability limits of your Coverage Agreement:

- a. I hereby reject Uninsured Motorist coverage.
b. I hereby select the following Uninsured Motorist limits which are lower than my Bodily Injury Liability Limits: each person (enter limit if applicable) \$100,000 each accident
c. I hereby select Uninsured Motorist coverage limits equal to my Bodily Injury Liability limits. (If you select this option disregard the bold face statement above.)

ELECTION OF NON-STACKED COVERAGE

(Do not complete if you have rejected Uninsured Motorist)

You have the option to purchase, at a reduced rate, non-stacked (limited) type of Uninsured Motorists coverage. Under this form if injury occurs in a vehicle owned or leased by you or any family member who resides with you, this Coverage Agreement will apply only to the extent of coverage (if any) which applies to that vehicle in this Coverage Agreement. If an injury occurs while occupying someone else's vehicle, or you are struck as a pedestrian, you are entitled to select the highest limits of Uninsured Motorist coverage available on any one vehicle for which you are a Named Covered Party, covered family member, or covered resident of the Named Covered Party's household. This Coverage Agreement will not apply if you select the coverage available under any other Coverage Agreement issued to you or the Coverage Agreement of any other family member who resides with you.

If you do not elect to purchase the non-stacked form, your Coverage Agreement limit(s) for each motor vehicle are added together (stacked) for all covered injuries. Thus, your Coverage Agreement limits would automatically change during the Coverage Agreement term if you increase or decrease the number of autos covered under the Coverage Agreement.

I hereby elect the non-stacked form of Uninsured Motorist coverage.

I understand and agree that selection of any of the above options applies to my liability Coverage Agreement and future renewals or replacements of such Coverage Agreement which are issued at the same Bodily Injury Liability limits. If I decide to select another option at some future time, I must let the Trust or my agent know in writing.
