**SECTION 00500  
CONSTRUCTION CONTRACT**

This Contract (the "Contract") is dated as of the 26 day of October 2020 by and between the City of Marathon (hereinafter called the "CITY") Design Center, Inc. (hereinafter called "CONTRACTOR") located at:

**6677 Overseas Hwy, Marathon, FL 33050**

CITY and CONTRACTOR, in consideration of the mutual covenants hereinafter set forth, agree as follows: All material, labor, equipment and any other means necessary to complete the sand re-nourishment of Coco Plum Beach as indicated in the plans and specifications, and issued permit by FDEP.

1. WORK

- 1.1 Project/Work: CONTRACTOR shall complete all Work as specified or indicated in the plans, Contract Documents and detailed in **Exhibit A**. The Work is generally described as the following: **COCO PLUM BEACH – BEACH RESTORATION PROJECT**

2. CITY'S REPRESENTATIVE, ARCHITECT AND ENGINEER

1. It is understood that the CITY will designate a representative for the Work. The CITY'S REPRESENTATIVE referred to in any of the Contract Documents designated herein is Carlos A. Solis, P.E. Director of Public Works and Engineering, 9805 Overseas Highway, Marathon Florida 33050.

2. The CITY'S ENGINEER OF RECORD referred to in any of the Contract Documents designated herein is Cummins-Cederberg Costal & Marine Engineering

3. TERM

1. Contract Term. The Work shall be substantially completed within **Fifty (50)** calendar days after the date specified in the Notice to Proceed ("Substantial Completion"), and fully completed and ready for final payment in accordance with the Contract Documents within **Sixty Five (65)** calendar days after the date specified in the Notice to Proceed ("Final Completion").

2. Contract Time. The Contract Term shall not commence until the CITY issues to CONTRACTOR a Notice to Proceed and the term of the Contract shall be through the date of final payment unless terminated earlier pursuant to Section 00700 – General Conditions, Article 14, Payments to Contractor and Completion.

3. Survival of Obligations. Any obligations by the CONTRACTOR, including but not limited to those set forth in Section 00700 – General Conditions, Article 12, Contractor’s General Warranty and Guarantee, that would or could occur after the date of expiration or termination of the Contract shall survive the termination or expiration of the Contract.

4. Liquidated Damages. CITY and CONTRACTOR recognize that time is of the essence in this Contract and that the CITY will suffer financial loss if the Work is not completed within the contract times specified in Section 3.1 for the Work above, plus any approved extensions thereof allowed in accordance with the General Conditions. The CONTRACTOR also recognizes that the damages which the City will incur if the Work is not substantially completed on time and/or fully completed on time are not readily ascertainable at the time this Agreement is entered into, and the Contractor recognizes the difficulties involved in proving the actual loss suffered by CITY if the Work is not substantially completed on time and/or fully completed on time. Accordingly, instead of requiring any such proof, CITY and CONTRACTOR agree that as liquidated damages to compensate the City and not as a penalty for delay or as an incentive to complete on time, CONTRACTOR shall pay CITY (\$1,000.00) for each calendar day that expires after the time specified in Section 3.1 for Substantial Completion of the Work. After Substantial Completion, if CONTRACTOR fails to fully complete the Work within the time specified in Section 3.1 for completion and readiness for final payment or any proper extension thereof granted by CITY, CONTRACTOR shall pay CITY (\$750.00) for each calendar day that expires after the time specified in Section 3.1 for full completion and readiness for final payment. Contractor agrees that the liquidated damage amounts specified in the Contract Documents bear a reasonable relationship to the actual damages to be suffered due to public inconvenience and damage to the City’s reputation if the Contractor fails to substantially complete and/or fully complete the Work on time. The liquidated damages are not in compensation for any other damages, and expressly exclude damages for completion contractor expenses, lost/unrealized revenue, financing costs, professional services, attorney fees, and/or additional City staffing that may be incurred if the work is not substantially completed on time and/or fully completed on time. All liquidated damages amounts will continue to be charged if the Contractor abandons the Work, or is terminated, and the Work is completed by another party.

5. Should the Substantial Completion and/or Full/Final Completion and acceptance of Work, together with any modification or additions, be delayed beyond the time for performance set in Section 3.1 above because of lack of performance by the CONTRACTOR, it is understood and agreed that aside from any liquidated damages, the Contractor shall be liable to the City for all actual additional costs and/or losses incurred by the CITY including, but not limited to, completion contractor expenses, lost/unrealized revenue, financing costs, professional services, attorney fees, and/or additional City staffing that incurred because the Work was not substantially completed on time and/or fully completed on time.

6. Monies due to the CITY under Sections 3.4 and 3.5 shall be deducted from any monies due the CONTRACTOR, or if no money is due or the amount due is insufficient to cover the amount charged, the CONTRACTOR shall be liable for said amount.

4. CONTRACT PRICE

1. CITY shall pay CONTRACTOR for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined pursuant to this Article.

1. For all Unit Price Work, an amount equal to the sum of the established unit price for each separately identified item of Unit Price Work times the estimated quantity of that item as indicated on the Unit Price Bid Form attached hereto as **Exhibit "B."** Estimated quantities, as listed in the bid form, are provided to assist the contractor, and determination of actual quantities and classification are to be verified by CONTRACTOR prior to submittal of the bid as provided in the Contract Documents.

2. The CONTRACTOR agrees that all specific cash allowances are included in the above Contract Price and have been computed in accordance with the Contract Documents.

5. PAYMENT PROCEDURES

1. CONTRACTOR shall submit Applications for Payment in accordance with the Section 0700 - General Conditions, Article 14, Payments to Contractor and Completion. Applications for Payment will be processed by CITY as provided in the General Conditions.

2. Progress Payments, Retainage. CITY shall make progress payments, deducting the amount from the Contract Price above, on the basis of CONTRACTOR'S Applications for Payment as recommended by the CITY'S REPRESENTATIVE, on or about the last day of each month during construction as provided herein. All such payments will be made in accordance with the schedule of values established in the General Conditions or, in the event there is no schedule of values, as provided in the General Conditions.

1. No progress payment shall be made until CONTRACTOR delivers to the CITY certified copies of the performance bond and payment bond establishing that the bonds have been recorded with the county clerk, complete original partial releases of all liens, bond claims, and claims signed by all Subcontractors, materialmen, suppliers, and vendors, indicating amount of partial payment, on a form approved by the CITY, and an affidavit that so far as the CONTRACTOR has knowledge or information, the releases include and cover all Materials and Work for which a lien, bond claim, or claim could be filed for work completed to date.

2. No progress payment shall be made until CONTRACTOR delivers to CITY complete original partial releases and waivers of all liens and claims signed by all Subcontractors, materialmen, suppliers, and vendors, indicating receipt of partial payment due each for work performed since last progress payment. The partial release shall be accompanied by an affidavit stating that, so far as CONTRACTOR has knowledge or information, the releases include and cover all Materials and Work for which a lien or claim could be filed for work completed to date. The form of the partial release and waiver of lien and affidavit specified herein shall be approved by the CITY.

3. The CONTRACTOR agrees that ten percent (10%) of the amount due for Work as set forth in each Application for Payment shall be retained by CITY for each Progress Payment until Final Payment, as defined in Section 0700 - General Conditions, Article 14, Payments to Contractor and Completion.

1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated above, but, in each case, less the aggregate of payments previously made and less such amounts as CITY'S REPRESENTATIVE shall determine, or CITY may withhold, in accordance with the General Conditions.

4. The payment of any Application for Payment by CITY, including the Final Request, does not constitute approval or acceptance by CITY of any item of the Work in such Request for Payment, nor shall it be construed as a waiver of any of CITY's rights hereunder or at law or in equity.

5. The Final Application for Payment by CONTRACTOR shall not be made until the CONTRACTOR delivers to the City complete original final releases of all liens and claims signed by all Subcontractors, materialmen, suppliers, and vendors on a form approved by the CITY, and an affidavit that so far as the CONTRACTOR has knowledge or information, the releases include and cover all Materials and Work for which a lien or claim could be filed. The CONTRACTOR may, if any Subcontractor, materialmen, supplier or vendor refuses to furnish the required Final Waiver of Lien, furnish a bond satisfactory to City to defend and indemnify City and any other property owner, person or entity City may be required to indemnify against any lien or claim.

6. INSURANCE/INDEMNIFICATION.

1. Insurance. The CONTRACTOR shall secure and maintain throughout the duration of this Contract, insurance of such type and in such amounts necessary to protect its interest and the interest of the CITY against hazards or risks of loss as specified in the General Conditions of the Contract Documents.

2. Indemnification. The CONTRACTOR shall indemnify, defend and hold harmless the CITY, their officials, agents, employees, and volunteers from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of the contractor and persons employed or utilized by the contractor in the performance of this Contract and as set forth in General Conditions of the Contract Documents.

3. This indemnification shall survive the termination of this Contract. Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the State of Florida and the Agency's sovereign immunity.

## 7. CONTRACTOR'S REPRESENTATIONS.

In order to induce CITY to enter into this Contract, CONTRACTOR makes the following representations:

1. CONTRACTOR has examined and carefully studied the Contract Documents (including the Addenda) and the other related data identified in the Bidding Documents including "technical data."

2. CONTRACTOR has visited the site and become familiar with and is satisfied as to the general, local and site conditions that may affect cost, progress, performance or furnishing of the Work.

3. CONTRACTOR is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress, performance and furnishing of the Work. Contractor shall abide with all conditions in attached Attachment A

4. CONTRACTOR has made, or caused to be made, examinations, investigations, tests, or studies as necessary to determine surface and subsurface conditions at or on the site. CONTRACTOR acknowledges that CITY does not assume responsibility for the accuracy or completeness of information and data shown or indicated in the Contract Documents with respect to subsurface conditions or underground facilities at or contiguous to the site. CONTRACTOR has obtained and carefully studied (or assumes responsibility for having done so) all such additional supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the site or otherwise which may affect cost, progress, performance or furnishing of the Work or which relate to any aspect of the means, methods, techniques, sequences and procedures of construction to be employed by CONTRACTOR and safety precautions and programs incident thereto. CONTRACTOR does not consider that any additional examinations, investigations, explorations, tests, studies or data are necessary for the performance and furnishing of the Work at the Contract Price, within the Contract Times and in accordance with the other terms and conditions of the Contract Documents.

5. The CONTRACTOR is aware of the general nature of Work to be performed by CITY and others at the site that relates to the Work as indicated in the Contract Documents.

6. The CONTRACTOR has correlated the information known to CONTRACTOR, information and observations obtained from visits to the site, reports and drawings identified in the Contract Documents and all additional examinations, investigations, explorations, tests, studies and data with the Contract Documents.

7. The CONTRACTOR has given the CITY'S REPRESENTATIVE written notice of all conflicts, errors, ambiguities or discrepancies that CONTRACTOR has discovered in the Contract Documents and the written resolution thereof by the CITY'S REPRESENTATIVE is acceptable to CONTRACTOR, and the Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

8. The CONTRACTOR warrants the following:

1. Equal Employment: During the performance of this contract, the CONTRACTOR agrees as follows:

1. The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

2. The CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of the CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. The CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise

have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the CONTRACTOR's legal duty to furnish information.

4. In the event of the CONTRACTOR's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

2. Anti-Discrimination: The CONTRACTOR agrees that it will not discriminate against any employees or applicants for employment or against persons for any other benefit or service under this Contract because of race, color, religion, sex, national origin, or physical or mental handicap where the handicap does not affect the ability of an individual to perform in a position of employment, and to abide by all federal and state laws regarding non-discrimination.

3. Anti-Kickback: The CONTRACTOR warrants that no person has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the CITY or any other applicable federal or state agency, has any interest, financially or otherwise, in the Project. For breach or violation of this warranty, the CITY shall have the right to declare contractor in default, and/or annul this Contract without liability or, in its discretion, to deduct from the Contract Price or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

4. Licensing and Permits: The CONTRACTOR warrants that it shall have, prior to commencement of work under this Contract and at all times during said work, all required licenses and permits whether federal, state, County or City.

5. Public Entity Crime Statement: The CONTRACTOR warrants that it has not been place on the convicted vendor list following a conviction for public entity crime, as specified in Document 00200, Section 7.5, of the Instructions to Bidders.

Such remedies may be exercised in the sole discretion of the CITY. Nothing contained in this Contract shall limit the CITY from pursuing any legal or equitable remedies that may apply.
